Agenda Item VI

A. **Laboratory Testing:** Water quality tests confirm that all SSWD water meets all known State and Federal water quality standards.

B. **HWY 116 Cal Trans Project:** Cal trans has contracted with the District to relocate our mains in the Monte Rio area at the corner of Bohemian Hwy and 116. They are installing a new storm drain, and our mainline conflicts with their installation. Cal Trans will be responsible for the total cost of this project. This project has already been started, and should be completed within the next two weeks.

C. **County Project:** This project is completed.
