

Advance Placement Psychology

Summer Assignments

DUE: Friday, August 19, 2005

[Turn into Casa Grande High School Main Office]

1. Textbook; Myers, David G. Psychology [4th edition]

Read the Introduction and Chapter 1

2. Complete the related Study Guide assignments for the Introduction and Chapter 1

- You may answer the Big Issues and Chapter Review study guide sections directly on the study guide handout sheets or on separate pieces of paper; the ‘rule of thumb’ is that it is clear and legible.
- Complete ALL the multiple-choice questions, the matching items questions and True-False questions ON the study guide pages.
- Each study guide ends with an essay assignment and several key terms.
Use the essay guidelines on the back of this sheet.
- For each of the key terms and vocabulary, create individual flash cards
[use the following form]:

[front of 3 x 5 index card] Key Word or Term	[back of index card] Definition Specific Example [textbook page word or term can be found]
--	---

Other expectations:

- Each student will keep a copy of all papers in their student directory, on the CASA server
- Papers are due at the beginning of the class day they are due
- Late papers will not be accepted for points toward the student’s grade, although they will be accepted for teacher review and comment.
- Work due on the day of an excused absence must be turned in at the beginning of class upon return to class.
- Assignments may be viewed online at <www.sonic.net/bantam1/homework.html>.
- You may contact your instructor outside normal school hours at (707) 529-9038

Form expectations for all papers:

Length:

Always provide a cover sheet for all assignments [see cover sheet note below];

Unless otherwise specified, no paper shall be more than 2 pages long [plus cover sheet];

I stop reading at the end of the second page.
