

Activity Four: The French Revolution

EC	Exceeds EC	Meets the EC	Progressing towards the EC	Minimally addressess EC's
Response explains at least 3 similarities between the social, economic, & political conditions in the present day USA to those in prior to the French Revolution. [25%]				
Response explains at least 3 differences between the social, economic, & political conditions in the present day USA to those in prior to the French Revolution. [25%]				
Response clearly states whether or not a revolution similar to the French Revolution could occur in the USA [25%]				
Response includes at least 3 reasons for or against the likelihood of a similar revolution occurring in the USA today. [25%]				

Activity Four: The French Revolution

Compare and contrast the social, economic and political conditions present in pre-revolutionary France [before 1789] with the social, economic and political conditions present in the USA today. Do you think the inequalities in the USA could ever lead to a revolution like the one in France in 1789? Why or Why not?

Response explains at least 3 **similarities** between the social, economic, & political conditions in the present day USA to those in prior to the French Revolution.

Response explains at least 3 **differences** between the social, economic, & political conditions in the present day USA to those in prior to the French Revolution.

Response clearly states whether or not a revolution similar to the French Revolution could occur in the USA

Response includes at least 3 reasons for or against the likelihood of a similar revolution occurring in the USA today
