

Task Evaluation Criteria

__/3	Group represents a city-planning firm trying to win a contract to reform the city you live in; presentation is made to the city council.
__/3	List includes three urban problems and possible solutions to those problems.
__/3	Both the three problems and the three solutions are represented both verbally and visually; visuals make use of color, texture, symbols, or other visual techniques.
__/3	Presentation includes testimony from urban dwellers representing multiple perspectives from both the last (the Industrial Revolution) and the present.
__/3	Presentation addresses whether industrialization is a problem, progress, or a promise.
__/15	TOTAL

Activity Two: The Distribution of Wealth

Task Evaluation Criteria

__/3	Television commercial includes a jingle or music and makes use of props and other relevant sounds or visuals.
__/3	Television commercial clearly promotes one of the economic systems presented in your Resource Cards and includes at least three reasons why the economic system best addresses the needs of society.
__/3	Television commercial explains why the other economic systems presented in your Resource Cards are not as effective.
__/3	Presentation addresses how industrialization impacts the distribution of wealth.
__/3	Presentation addresses whether industrialization is a problem, progress, or a promise.
__/15	TOTAL

Task Evaluation Criteria

<p>___/3</p>	<p>Dramatic presentation includes four or more characters, with at minimum three “ghosts of the labor past” from 19th century Britain (one each representing child labor, women workers, and labor unions) and one world leader of the future.</p>
<p>___/3</p>	<p>Each ghost explains his or her experiences in the 19th century and presents at least one solution to his or her problem(s); solutions lead to a world free of child labor, the equal treatment of the women and men, and labor unions that are respected and successful in their attempts to protect workers regarding working conditions, job security, and living wages.</p>
<p>___/3</p>	<p>Dramatic presentation includes historically accurate reference to specific people, places, events, organizations, statistics, and legislation.</p>
<p>___/3</p>	<p>Dramatic presentation makes use of three or more of the following: costumes, props, narration, and sound effects.</p>
<p>___/3</p>	<p>Presentation addresses whether industrialization is a problem, progress, or a promise.</p>
<p>___/15</p>	<p>TOTAL</p>

Task Evaluation Criteria

__/3	Cause and effect chart is illustrated; illustrations make use of color, symbols, and/or other visual techniques.
__/3	Cause and effect chart includes <u>at least three</u> ways in which industrialization led to imperialism.
__/3	Cause and effect chart includes <u>at least five</u> ways in which imperialism has shaped the world, as we know it today.
__/3	Cause and effect chart includes multiple perspectives.
__/3	Presentation addresses whether industrialization is a problem, progress, or a promise.
__/15	TOTAL
