

Sensation and Perception

- Your written task for this trip is to create a written report on **4** of the exhibits at the San Francisco Exploratorium.
- You must choose **2** of them from either the Light and Objects section, the Seeing Gallery or the Sound and Hearing section.
- The 3rd and 4th exhibits can be from anywhere in the Exploratorium
- This assignment is worth a total of **20 points** [5 points per exhibit explanation.
- Be sure that you explain the terms and ideas involved -

THE RESPONSE MUST INCLUDE:

- 1) A clear and detailed explanation or definition of the exhibit's idea or concept
- 2) A practical example or demonstration that helps us clearly understand what is going on with the exhibit.
- 3) Be sure that your response points out the significance that the exhibit is demonstrating.
- 4) Be careful that you do not create a simple 'cut and paste response; this will result in a loss of points
- 5) List the resources that you use for your information

Some useful resources may include

- 1) The SF Exploratorium Explainers
- 2) The textbook
- 3) The San Francisco Exploratorium website
