

Sensation and Perception

- Your written task for this trip and as a part of your final exam, it to create a written report on 5 of the exhibits at the San Francisco Exploratorium.
- You must choose 4 of them from either the Light and Objects section, the Seeing Gallery or the Sound and Hearing section.
- The 5th exhibit can be from anywhere in the Exploratorium
- This is the 'take-home' portion of your final exam. It is worth a total of 30 points [6 points per exhibit explanation.
- Be sure that you explain the terms and ideas involved -

THE RESPONSE MUST INCLUDE:

- 1) A clear and detailed explanation or definition of the exhibit's idea or concept
- 2) A practical example or demonstration that helps us clearly understand what is going on with the exhibit.
- 3) Be sure that your response points out the significance that the exhibit is demonstrating.
- 4) Be careful that you do not create a simple 'cut and paste response; this will result in a loss of points
- 5) List the resources that you use for your information

Some useful resources may include

- 1) The SF Exploratorium Explainers The textbook [ask Ms. Thompson for a copy
- 2) The San Francisco Exploratorium website <<http://www.exploratorium.edu/snacks/>>
