

# Forestville Historical Society

Meeting for December 3, 2000

The meeting was called to order at 3:05 PM by President Lavon Covington..  
Present were Jerry Hughes, Dave Henry, Darleen Speer, Virginia Hughes, and Penny Hutten.

Penny read the minutes of our last meeting on Nov 5, 2000. There were no additions or corrections.

Jerry Hughes read our treasures report. He said we have \$530.00 in our treasury. Lavon volunteered to be the next treasurer and so Jerry Hughes paid Lavon the \$530.00 to start a new checking account. Lavon shared that she was trying to get a free checking account from the Bank of the West in Forestville and they would charge us for the account. So it was agreed that we would try another bank or have it put into Lavon's name at that bank.

Lavon shared the articles of incorporation. Everyone was excited that we are now official.  
We all thank Lavon Covington for all her hard work in setting this up.

Dave Henry shared some photos he received from Philip Marcucci. They were pictures of the old winery's and some railroad pictures. Penny Hutten took them home to copy and then return to Dave Henry.

The Old Case House was discussed how it is becoming a Bed and Breakfast. The location is on Poplar Drive in Forestville.

Penny Hutten brought an email that some one had sent to the Forestville Historical Web site asking if there had ever been any Witch Craft or strange happenings in Forestville. The issue was discussed and The closest to such a thing is "water witching"..... so we decided that nothing like that had happened.

The meeting adjourned at 4:00pm
