UPDATE FROM THE BOWL

In anticipation of moving closer to opening the bowling center and other Sonoma County businesses, we are sending an update to let you know that those bowlers who were bowling in the Wednesday Reno League, Thursday Jubilee League, and Friday Reno League will be back on the lanes for Summer Leagues if all goes well.

Other leagues will be forming as well, and junior bowlers can expect a fun program once we open as well.

Make sure you are part of our summer events! We can't wait to see you all again. We need Sonoma County to open!
