1900	Warehouse

Where We're Located

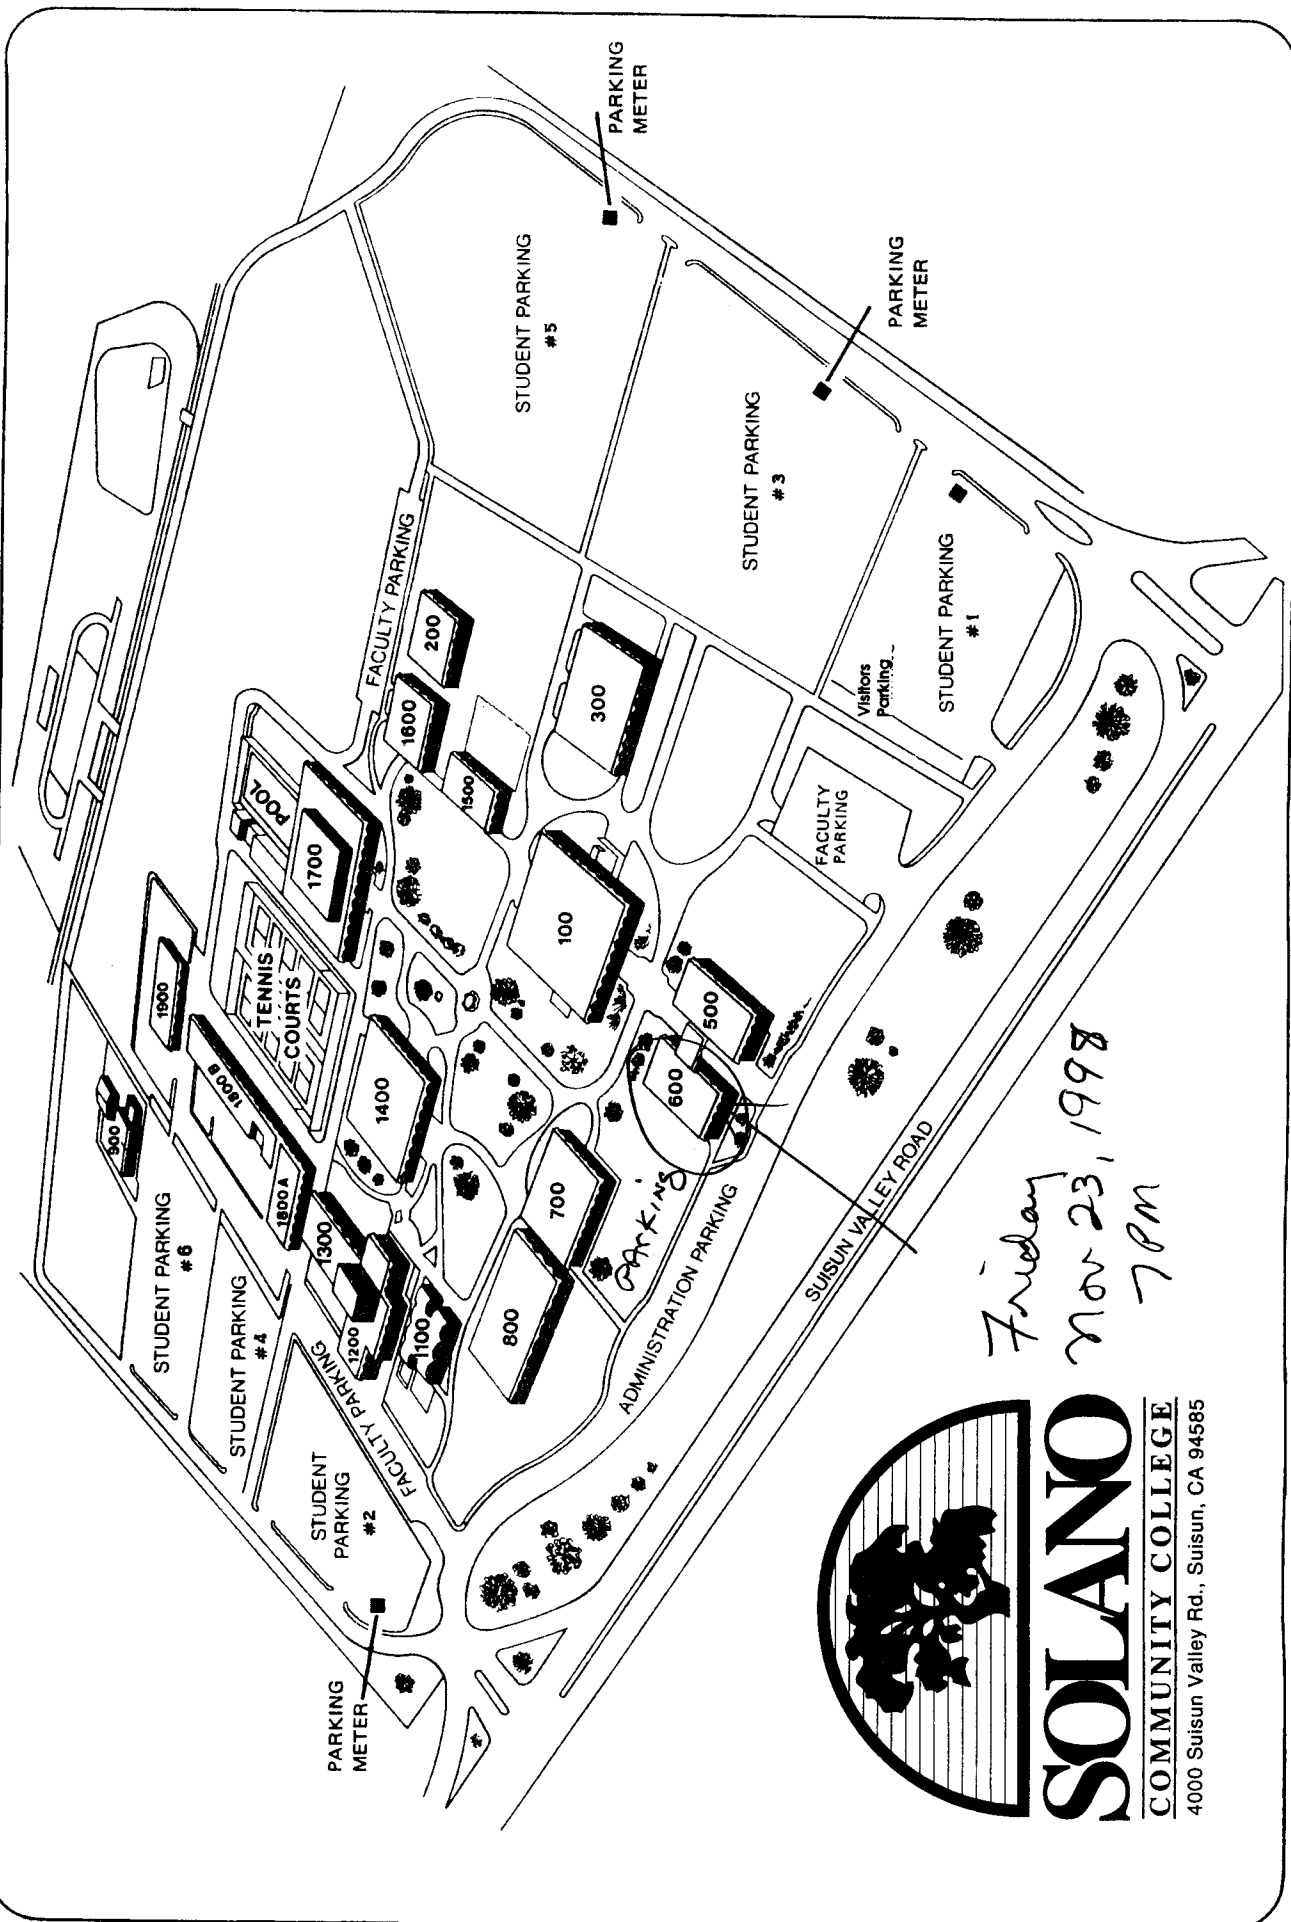

Solano Community College is located on Suisun Valley Road, just off Interstate 80, nine miles northeast of Vallejo, and five miles southwest of Fairfield. From I-80 in either direction, take the Suisun Valley Road exit, turn left at the stop sign. The campus is located approximately one-half mile north of the freeway. For visitor parking take the first entrance (on your right) into the campus, and park in Student Lot #1 where visitor parking is marked.

Parking

Parking regulations are enforced when day and evening classes are in session. All students enrolled in coursework on campus and those who regularly use facilities must purchase parking decals. Special car pooling spaces are available through Rideshare.

Visitors can park in Lot #1 if they plan to be on campus for 30 minutes or less. Otherwise, they should purchase a \$1 ticket (four quarters) from the red meter in the parking lot.
