

## Relevant Resources

### **The Nation Magazine <http://www.thenation.com>**

The Nation Magazine has put together a collection of relevant resources, including all Nation articles--both from their pages and from the website--relating to the attacks; a collection of Nation archival material; a series of links to peace and anti-discrimination groups and a set of Internet-based resources devoted to elucidating the true essence of Islamic culture and to discussing tensions in the far-from-monolithic Muslim communities around the world. **You can access all these articles and links at: <http://www.thenation.com/special/wtc/index.mhtml>**
