or

UPC Samples (Serial Highlighted)

Rebate Terms and Conditions:

- The rebate form must be completed, printed out, and returned within 90 days of your DSL installation date.
- Rebates are not applicable for Basic Residential DSL service.
- You must include a cutout or photocopy of the serial number sticker from the DSL kit's box.
- This form will be returned to you if it has been incompletely and/or incorrectly filled out.
- For orders with the Wi-Fi router upgrade, a \$50.00 credit will be applied to your Sonic.net account after the rebate has been processed. For orders with the standard equipment, a \$49.95 credit will be applied to your Sonic.net account after the rebate has been processed.
- This rebate is available for new DSL circuits only, and is redeemable only once per customer.
- This rebate is void if the service is cancelled before functional DSL service is established.
- If the service is cancelled within the first 12 months on month-to-month terms, the equipment rebate will be charged back to the customer.
- Mail in your completed rebate form along with the serial number cutout or photocopy to:

Sonic.net
