

# St. Rose Catholic School

January 16, 2013

Dear Parents,

Happy New Year! It was great welcoming your children back to school after the two-week break. This is a time of year that the teachers really value. There are few distractions which makes it possible for them to accomplish a large body of curriculum with your children.

In the office we are already beginning to make plans for the 2013-14 school year. The budgeting process begins and we are in full swing with recruitment. As you know, full enrollment translates to smaller tuition increases. We are asking for your help with our recruitment process. There are currently three classes that have multiple openings - - the present Kindergarten, second, and third grades. The application process for next year's Kindergarten has begun as well. We would like your help in these ways:

- The school is offering a free Tim Cain concert on Saturday, February 16<sup>th</sup> at 11:00 AM. Tim is a children's musician who provides a fun and interactive program for young children. You can learn more about his performances at: [www.timcain.com](http://www.timcain.com). Please pass the word to any of your friends and acquaintances who have young children. Along with the concert, there will be craft activities and tours of the school and the preschool. School families are most welcome and we hope you will bring along any friends who may be interested in giving their child the gift of a Catholic education. I would love to meet them.
- The best way for potential families to find out what St. Rose is all about is to schedule a school tour while the students are present. The tours are routinely held on the first Wednesday of the month at 9:00 AM, and I am always happy to schedule additional tours to families at their convenience. Please encourage the people you know to call the school right away for an appointment.
- Applications are available on the school website or in the school office. If you know of a family looking for the right Kindergarten placement, please provide them with an application and a schedule of admission events, also available on the website.
- Please help us increase our visibility around Sonoma County by placing a St. Rose sticker on the inside of your car's window. There is one included in this week's envelope. It attaches through static cling, removes easily and will not leave a sticky residue. If you don't wish to display it, we'd appreciate you sending it back to the office.

St. Rose parents are excellent ambassadors for our school. Almost everyone who attends a school tour tells me that they first heard about us through a satisfied parent whose children already attend. Thank you for your help in promoting our school.

Enclosed in this week's envelope is the invitation to our Annual Event. This year we have a new venue and lots of new surprises for you, including an opportunity to win free tuition for one year. At present there are only about 100 more dinner reservations available, so please return your RSVP immediately. We don't want you to be left out of this fabulous evening.

Sincerely,

**SAINT ROSE CATHOLIC SCHOOL**

St. Rose School uses a service called FAIR (Financial Aid Independent Review) to independently evaluate the financial needs of our families. FAIR requires an application and supporting documentation with options of applying by mail or online. There is a \$27.00 processing fee which is due at the time of submission. An additional \$10.00 fee is charged to process a business tax return. Applications must be received by FAIR by **March 1, 2013**. It is important to plan ahead for this early deadline. FAIR requires a copy of your 2012 tax return, supporting schedules & W-2's. Application packets will be mailed the 1<sup>st</sup> week of January, 2013. **Online applications with FAIR are available beginning February 1, 2013.**

All applications will be evaluated and families will be notified of scholarship awards as soon as possible after the school receives notification that the application is complete. Our Tuition Assistance Committee, which is made up of the Principal, the Business Manager and Superintendent of Schools, will review all applications. All requests and financial information are confidential.
