

Showing Latch bores and separate Dead Bolt bores
Note: For double gates, with 1/2" center clearance, the latch bore is only 2-1/4" in from the edge of the gate stile.

Rocky Mountain latches
304, 414, 465, 701, 504, 560,

Rocky Mountain Dead Bolts
506, 507, 509, 511,
