Welcome to brentonian.org - home of Brentonians on the Net! Here's what's new for the month of **December 2000**:

Merry Christmas and a Happy New Year!

I apologize that I have not been able to devote much time updating this site the past several months. As a result, there are lots of updates to the directory which have accumulated during the past 3 months. Thank you for your patience.

Here are some e-mails I have received from Brentonians which I would like to share with you:

Charlene (Gigi) Love ('81-'82) has 2 CDs of her music published. You can check out her music [here](#).

Bob McKay '41 writes: "I attended Brent School from 1937 to 1941 and graduated from Camp Holmes Brent School during internment. In 1941 as the Japanese were bombing Camp John Hay and it became obvious that we would be interned. I hid an air pistol in the attic over the vestry in the chapel. I wonder if it is still there. Perhaps some one could have a look and let me know. It would make a great keep sake of the times."
