Welcome to brentonian.org - home of Brentonians on the Net! Here's what's new for the month of **January 2000**:

Happy New Year!

One of my New Year resolutions is to be more timely with the updates to this site. Let's all see how well I do.

Speaking of updates, the disk drive on my computer crashed a few days ago. I lost some of the update requests that some of you have sent me. If you do not see the update you have sent me between October and the end of the year 1999 here, please resend them to me. Thanks and sorry for the inconvenience.
