Welcome to [brentonian.org](http://brentonian.org)  
- home of Brentonians on the  
Net! Here's what's new for the  
month of **March 2000**:

Our domain name has been  
paid for by the '60s Alumni  
Fund which was started at the  
Asilomar reunion. Thanks to  
the classes of the '60s!

## Fred Booker's Memories

In a moment of nostalgia, I  
looked up Brent School on the  
Web. I was happy to see that I  
recognized some names from  
the classes of 66-68 and I  
could pick out faces in some of  
the photos on your Web site  
(although, there are not many  
from that period of time.)

People I recognized were  
Harry Maur (who always  
sneezed during the pledge),  
John & Julie Grant, and Greg  
Schuchmann (tennis player).  
Names that brought up  
memories were Alan Langford  
(we played together on the  
soccer team), Sanani & Mali

Interestingly, my wife and I  
bought a piece of property near  
our home here in Oakland just a  
few months ago. And one day I  
stopped to talk to a neighbor  
who it turns out was the wife of a  
former Headmaster at Brent in  
the early 70's. Her name is Elaine  
McGee and her husband's name  
was Henry (Henry passed away  
last year I think).

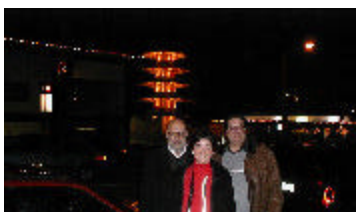

Elaine's children Suzzane and  
Paul live close by (both of whom  
attended Brent). It is a small  
world after all.

Suzanne McGee is now a  
Landscape Designer here in  
Oakland and is working with my  
wife and myself to do the  
landscaping for our new home.
