7800. Chapter's Scope and Citation. This chapter of the Business and Professions Code constitutes the chapter on geologists and geophysicists. It may be cited as the Geologist and Geophysicist Act.

7801. "Board". "Board," as used in this chapter, means the Board for Geologists and Geophysicists. Any reference in any law or regulation to the State Board of Registration for Geologists and Geophysicists shall be deemed to refer to the Board for Geologists and Geophysicists.

7802. "Geology". "Geology," as used in this chapter, refers to that science which treats of the earth in general; investigation of the earth's crust and the rocks and other materials which compose it; and the applied science of utilizing knowledge of the earth and its constituent rocks, minerals, liquids, gases and other materials for the benefit of mankind.

7802.1. "Geophysics". "Geophysics," as used in this chapter, refers to that science which involves study of the physical earth by means of measuring its natural and induced fields of force, including, but not limited to, electric, gravity, and magnetic, and its responses to natural and induced energy and the interpreting of these measurements and the relating of them to the physics of the earth.

7803. "Geologist". "Geologist," as used in this chapter, refers to a person engaged in the practice of geology.

7803.1. "Geophysicist". "Geophysicist," as used in this chapter, refers to a person engaged in the practice of geophysics.

7804. Registration Required - Use of Title "Registered Geologist". Only a person registered as a geologist under the provisions of this chapter shall be entitled to take and use the title "registered geologist." Only a person registered as a geologist and certified under the provisions of this chapter shall be entitled to take and use the title of a registered certified specialty geologist.

7804.1. Registration Required - Use of Title "Registered Geophysicist". Article 2. Administration

7810. State Board for Geologists and Geophysicists. The Board for Geologists and Geophysicists is within the department and is subject to the jurisdiction of the department. Except as provided in this section, the board shall consist of eight members, five of whom shall be public members, two of whom shall be geologists, and one of whom shall be a geophysicist.

Each member shall hold office until the appointment and qualification of the member's successor or until one year has elapsed from the expiration of the term for which the member was appointed, whichever occurs first. Vacancies occurring prior to the expiration of the term shall be filled by appointment for the remainder of the unexpired term.

Each appointment shall be for a four-year term expiring June 1 of the fourth year following the year in which the previous term expired. No person shall serve as a member of the board for more than two consecutive terms.

The Governor shall appoint three of the public members and the three members qualified as provided in Section 7811. The Senate Committee on Rules and the Speaker of the Assembly shall each appoint a public member, and their initial appointment shall be made to fill, respectively, the first and second public member vacancies that occurred on or after January 1, 1983.

At the time the first vacancy is created by the expiration of the term of a public member appointed by the Governor, the board shall be reduced to consist of seven members, four of whom shall be public members, two of whom shall be geologists, and one of whom shall be a geophysicist. Notwithstanding any other provision of law, the term of that member shall not be extended for any reason, except as provided in this section.

This section shall become inoperative on July 1, 2006, and, as of January 1, 2007, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2007, deletes or extends the dates on which it becomes inoperative and is repealed. The repeal of this section renders the board subject to the review required by Division 1.2 (commencing with Section 473).

7810.1. Protection of Public. Protection of the public shall be the highest priority for the Board for Geologists and Geophysicists in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.

7811. Board Members' Qualifications. Each member of the board shall be a citizen of the United States, shall be at least 30 years of age, and shall have been a resident of this state for at least five years immediately preceding his appointment. Each of the first appointed geologist members of the board shall have at least 12 years active experience and shall be a qualified geologist; each subsequent geologist member of the board shall be a geologist registered under this chapter. The first appointed geophysicist member shall have at least 12 years active experience and shall be a qualified geophysicist. Each subsequent geophysicist member shall be a geophysicist registered under this chapter. The board shall include not less than one engineering geologist and one petroleum geologist, as determined by the Governor.
7815. Per Diem and Expenses for Board Members. Each member of the board shall receive a per diem and expenses as provided in Section 103.

7815.5. Executive Officer. The board may appoint a person exempt from civil service who shall be designated as an executive officer and who shall exercise the powers and perform the duties delegated by the board and vested in him or her by this chapter.

This section shall become inoperative on July 1, 2006, and, as of January 1, 2007, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 2007, deletes or extends the dates on which it becomes inoperative and is repealed.

7816. Annual Meetings of Board. The board shall meet annually and at such other times as it may determine.

7817. Quorum. Five members of the board shall constitute a quorum for the transaction of business; provided, however, that four members of the board shall constitute a quorum for the transaction of business when the board's membership is reduced to seven pursuant to Section 7810.

7818. Rules and Regulations Adopted by Board. The board, pursuant to the provisions contained in Chapter 4.5 (commencing with Section 11371) of Part 1 of Division 3 of Title 2 of the Government Code, may adopt, amend or repeal rules and regulations to carry out the provisions of this chapter.

7819. Records Open for Public Inspection. Except as otherwise provided by law, all records of the board shall be open to inspection by the public during regular office hours.

7820. Seal. The board shall have and use a seal bearing the name "State Board of Registration for Geologists and Geophysicists."

7822. Specialties Provided on Registration Certification. The board may, by regulation, provide for the division of the certification of registration into different specialties, including, but not limited to, petroleum, mining, and ground water, and may issue certificates in one or more of the specialties in which the applicant demonstrated proficiency. The board shall provide such a certificate for those qualified in engineering geology.

7823. Committees Appointed by Board - Membership, Reimbursement for Expenses. The board shall have the authority to appoint committees as required or as deemed advisable to perform duties as the board may direct; provided, however, that the board shall not delegate any final decision making authority to any committee that has as a member any person who is not a member of the board.

Membership on those committees is at the pleasure of the board.

No member of a committee shall receive any other compensation than his or her necessary expenses, as approved by the board, connected with the performance of his or her duties as a member of the committee.

7825. Board's Relations with Regulatory Bodies - Other States and Countries. The board shall establish relations with bodies which regulate the practice of geology and geophysics, or closely related geologic and geophysical disciplines, or which register geologists and geophysicists in the other states, and may establish relations with such bodies in other countries, for the purposes of working toward (1) uniformly high professional standards and (2) mutual recognition of registration.
Article 3. Scope of Regulation

7830. Seal, Stamp, or Title of Registered Geologist - Permitted Use. After June 30, 1970, it is unlawful for anyone other than a geologist registered under this chapter to stamp or seal any plans, specifications, plats, reports, or other documents with the seal or stamp of a registered geologist or registered certified specialty geologist, or to use in any manner the title "registered geologist" or the title of any registered certified specialty geologist unless registered, or registered and certified, hereunder.

7830.1. Unlawful Use of Stamp, Seal, or Title - Absence of Registration or Certification. After one year following the effective date of this section it shall be unlawful for anyone other than a geophysicist registered under this chapter to stamp or seal any plans, specifications, plats, reports, or other documents with the seal or stamp of a registered geophysicist, or registered certified specialty geophysicist, or to use in any manner the title "Registered Geophysicist" or the title of any registered certified specialty geophysicist unless registered, or registered and certified, under this chapter.

7831. Stamping or Sealing Plans, Specifications After Expiration, Suspension, or Revocation of Registrant's Certificate - Prohibited. It is unlawful for anyone to stamp or seal any plans, specifications, plats, reports, or other documents with the seal after the certificate of the registrant, named thereon, has expired or has been suspended or revoked, unless the certificate has been renewed or reissued.

7832. Practitioners Subject to Chapter's Provisions. Any person, except as in this chapter specifically exempted, who shall practice or offer to practice geology or geophysics for others in this state is subject to the provisions of this chapter.

7833. Permitted Practice as Sole Proprietorship, Partnership, or Corporation - Registration of Partner or Corporate Officer. This chapter does not prohibit one or more geologists or geophysicists from practicing through the medium of a sole proprietorship, partnership, or corporation. In a partnership or corporation whose primary activity consists of geological services, at least one partner or officer shall be a registered geologist. In a partnership or corporation whose primary activity consists of geophysical services, at least one partner or officer shall be a registered geophysicist.

7834. Permitted Employment of Geologist or Geophysicist by Individual, Company - Not Primarily Engaged in Practice of Geology or Geophysics. 7836. **United States Officers and Employees as Practitioners - Exemption from Registration.** Officers and employees of the United States of America practicing solely as such officers or employees are exempt from registration under the provisions of this chapter.

7837. **Exemption of Subordinate from Registration - Prohibited Use of Titles.** A subordinate to a geologist or geophysicist registered under this chapter, insofar as he acts solely in such capacity, is exempt from registration under the provisions of this chapter. This exemption, however, does not permit any such subordinate to practice geology or geophysics for others in his own right or to use the title "registered geologist" or "registered geophysicist".

7838. **Civil Engineer and Petroleum Engineer - Exempt from Registration.** A civil engineer empowered to practice civil engineering in this state, and a petroleum engineer registered in this state, under provisions of Chapter 7 (commencing with Section 6700) of Division 3 of this code insofar as they practice civil engineering in its various branches or petroleum engineering, respectively, are exempt from registration under the provisions of this chapter.

The ability of the applicant shall have been demonstrated by the applicant having performed the work in a responsible position, as the term "responsible position" is defined in regulations adopted by the board. The adequacy of the required supervision and experience shall be determined by the board in accordance with standards set forth in regulations adopted by it.

(d) Successfully pass a written examination that incorporates a national examination for geologists created by a nationally recognized entity approved by the board, and a supplemental California specific examination. The California specific examination shall test the applicant's knowledge of state laws, rules and regulations, and of seismicity and geology unique to practice within this state. The board shall use the national examination on or before June 30, 2000.

7841.1. Qualifications of Applicant for Registration as Geophysicist. An applicant for registration as a geophysicist shall have all of the following qualifications. This section shall not apply to applicants for registration as geologists.

Teaching in the geophysical sciences referred to in this section at a college level shall be credited year for year toward meeting the requirement in this category, provided that the total teaching experience includes six semester units per semester, or equivalent if on the quarter system, of third or fourth year or graduate courses.

Credit for undergraduate study, graduate study, and teaching, individually, or in any combination thereof, shall in no case exceed a total of four years towards meeting the requirements for at least seven years of professional geophysical work as set forth above.

The ability of the applicant shall have been demonstrated by his having performed the work in a responsible position, as the term "responsible position" is defined in regulations adopted by the board. The adequacy of the required supervision and experience shall be determined by the board in accordance with standards set forth in regulations adopted by it.

(d) Successfully pass a written examination.
7842. Requirements for Certification - Specialty in Geology. An applicant for certification in a specialty in geology shall meet all of the requirements of Section 7841 and, in addition, his seven years of professional geological work shall include one of the following:

7845. Scope of Examinations for Registration - Geologist or Registered Certified Specialty Geologist. Examinations for registration as a geologist or registered certified specialty geologist shall test the applicant's knowledge of geology and of any established specialty for which he applies and his ability to apply that knowledge and to assume responsible charge in the professional practice of geology or a certified specialty geology, or both geology and a certified specialty geology.

7845.1. Scope of Examinations for Registration - Geophysicist or Registered Certified Specialty Geophysicist. Examinations for registration as a geophysicist or registered certified specialty geophysicist shall test the applicant's knowledge basic to geophysics and his ability to apply that knowledge and to assume responsible charge in the professional practice of geophysics or a certified specialty geophysics, or both geophysics and a certified specialty geophysics.

7846. Re-examination on Filing New Application - Fees. An applicant failing in an examination may be examined again upon filing a new application and the payment of the application fee fixed by this chapter.

7847. Issuance of Certificate of Registration without Written Examination - Holder of Equivalent Certificate Issued by Another State or Country. The board, upon application therefor, on its prescribed form, and upon the payment of the application and registration fees fixed by this chapter, which fees shall be retained by the board, may issue a certificate of
registration as a geologist or as a geophysicist, without written examination, to any person holding an equivalent certificate of registration as a geologist or as a geophysicist, issued to him by any state or country when the applicant's qualifications meet the other requirements of this chapter and the rules established by the board.

7848. Temporary Authorization for Practice of Geology and/or Certified Specialty Geology-Special Project. A temporary authorization for the practice of geology or a certified specialty geology, or both geology and a certified specialty geology, may be granted, for a specific project, upon application and payment of the fee prescribed in Section 7887 for a period not to exceed 60 consecutive days in any calendar year if the applicant complies with all of the following:

(a) The applicant maintains no office for the practice of geology or a certified specialty geology, or both geology and a certified specialty geology, other than for the authorized project, in this state.

(b) The applicant is qualified to practice geology or a certified specialty geology, or both geology and a certified specialty geology for others, and is not legally prohibited from so doing, in the state or country where he or she maintains an office for that practice.

(c) The applicant demonstrates by means of an individual appearance before the board, or before a committee appointed by the board for that purpose, satisfactory evidence of adequate knowledge in that phase of geology for which the applicant proposes to practice under the temporary authorization.

If the applicant can satisfy the board that the completion of the specific project for which the authorization is granted will require more than 60 consecutive calendar days, the board may extend the authorization to a period not to exceed a total of 120 days.

Upon completion of these requirements as necessary, the executive officer on direction of the board shall issue a temporary authorization to the applicant.

7848.1. Temporary Authorization for Practice of Geophysics and/or Certified Specialty Geophysics - Specific Project. A temporary authorization for the practice of geophysics or a certified specialty geophysics, or both geophysics and a certified specialty geophysics, may be granted, for a specific project, upon application and payment of the fee prescribed in Section 7887 for a period not to exceed 60 consecutive days in any calendar year if the applicant complies with all of the following:

The duplicate certificate fee fixed by this chapter shall be charged.
7854. Presumptive Evidence of Legal Registration - Certificate and Endorsement of Registry. An unsuspended, unrevoked and unexpired certificate and endorsement of registry made under this chapter is presumptive evidence in all courts and places that the person named therein is legally registered.

7855. Notice to Applicant of Denial of Registration or Authorization - Request to Board for Hearing. Any applicant who is denied registration or authorization shall, in writing, be so notified and informed of the reason therefor. Within 30 days after receipt of notice, such applicant may make written request to the board for a hearing which, if granted, shall be conducted as specified in Section 7861.

Article 5. Disciplinary Proceedings

7860. Board's Investigation of Complaint - Reproval or Suspension of Certificate-Revocation of Temporary Authorization. (a) The board may, upon its own initiative or upon the receipt of a complaint, investigate the actions of any registered geologist, geophysicist, or person granted temporary authorizations pursuant to Sections 7848 and 7848.1, and make findings thereon.

(b) By a majority vote, the board may publicly reprove, suspend for a period not to exceed two years, or revoke the certificate of any geologist or geophysicist registered hereunder, or may publicly reprove or revoke the temporary authorization granted to any person pursuant to Section 7848 or 7848.1, on any of the following grounds:

Article 7. Revenue

7880. Expiration and Renewal of Certificates. A certificate of registration as a geologist or
as a specialty geologist or as a geophysicist or as a specialty geophysicist shall expire at 12
a.m. of the last day of the birth month of the certificate holder during the second year of a two-
year term if not renewed. To renew an unexpired certificate, the certificate holder shall, on or
before the date of expiration of the certificate, apply for renewal on a form prescribed by the
board, and pay the renewal fee prescribed by this chapter.

For purposes of implementing the distribution of the renewal of registrations throughout the
year, the board may establish a system of staggered certificate expiration dates and a pro rata
formula for the payment of renewal fees by certificate holders affected by the implementation of
the program.

7881. Renewal of Certificates After Expiration. Except as otherwise provided in this
article, certificates of registration as a geologist or as a geophysicist, or certified specialty
certificates, may be renewed at any time within five years after expiration on filing an application
for renewal on a form prescribed by the board and payment of the renewal fee in effect on the
last preceding regular renewal date. If the certificate is renewed more than 30 days after its
expiration, the certificate holder, as a condition precedent to renewal, shall also pay the
delinquency fee prescribed by this chapter. Renewal under this section shall be effective on the
date on which the application is filed, on the date on which the renewal fee is paid, or on the
date on which the delinquency fee, if any, is paid, whichever last occurs.

If so renewed, the certificate shall continue in effect through the date provided in Section 7880
which next occurs after the effective date of the renewal, when it shall expire if it is not again
renewed.

7882. Suspended Certificate - Expiration and Renewal - Effect of Renewal. A suspended
certificate is subject to expiration and shall be renewed as provided in this article, but such
renewal does not entitle the holder of the certificate, while it remains suspended and until it is
reinstated, to engage in the activity to which the certificate relates, or in any other activity or
conduct in violation of the order or judgment by which it was suspended.

7883. Revoked Certificate - Expiration - Reinstatement - Fees. A revoked certificate is
subject to expiration as provided in this article, but it may not be renewed. If it is reinstated after
its expiration, the holder of the certificate, as a condition precedent to its reinstatement, shall
pay a reinstatement fee in an amount equal to the renewal fee in effect on the last regular date
before the date on which it is reinstated, plus the delinquency fee, if any, accrued at the time of
its revocation.

7884. Prohibited Renewal of Certificates - Issuance of New Certificate - Waiver or
Refund of Application Fee. Certificates of registration as a geologist or as a
geophysicist or certified specialty certificates which are not renewed within five years after
expiration may not be renewed, restored, reinstated, or reissued thereafter. The holder of such
certificate may apply for and obtain a new certificate, however, if:
(a) He has not committed any acts or crimes constituting grounds for denial of licensure under Section 480.

(b) He takes and passes the examination, if any, which would be required of him if he were then applying for the certificate for the first time.

The board may, by regulation, provide for the waiver or refund of all or any part of the application fee in those cases in which a certificate is issued without an examination pursuant to the provisions of this section.

**7885. Board’s Report on, and Payment of, Revenue Received - Creation of Fund.** The board shall report each month to the State Controller the amount and source of all revenue received by it pursuant to this chapter and at the same time pay the entire amount thereof into the State Treasury for credit to the Geology and Geophysics Fund, which fund is hereby created.

**7886. Appropriation of Money into Fund.** The money paid into the Geology and Geophysics Fund is continuously appropriated to the board to carry out the provisions of this chapter.

**7887. Schedule of Fees.** The amount of the fees prescribed by this chapter shall be fixed by the board in accordance with the following schedule:

(a) The fee for filing each application for registration as a geologist or a geophysicist or certification as a specialty geologist or a specialty geophysicist and for administration of the examination at not more than two hundred and fifty dollars ($250).

(b) The registration fee for a geologist or for a geophysicist and the fee for the certification in a specialty shall be fixed at an amount equal to the renewal fee in effect on the last regular renewal date before the date on which the certificate is issued, except that, with respect to certificates which will expire less than one year after issuance, the fee shall be fixed at an amount equal to 50 percent of the renewal fee in effect on the last regular renewal date before the date on which the certificate is issued. The board may, by appropriate regulation, provide for the waiver or refund of the initial certificate fee where the certificate is issued less than 45 days before the date on which it will expire.

(c) The duplicate certificate fee at not more than six dollars ($6).

(d) The temporary registration fee for a geologist or for a geophysicist at not more than eighty dollars ($80).

(e) The renewal fee for a geologist or for a geophysicist shall be fixed by the board at not more than two hundred dollars ($200).

(f) The renewal fee for a specialty geologist or for a specialty geophysicist at not more than fifty dollars ($50).

(g) Notwithstanding Section 163.5, the delinquency fee for a certificate is an amount equal to 50 percent of the renewal fee in effect on the last regular renewal date.

(h) The fees fixed by the board pursuant to subdivisions (e) and (f), as of January 1, 1993, shall not be increased.

(i) Each applicant for registration as a geologist shall pay an examination fee fixed by the board at an amount equal to the actual cost to the board for the purchase of a national examination for geologists created by a nationally recognized entity approved by the board, including a supplemental California specific examination, and shall not exceed three hundred dollars ($300).

(j) Each applicant for registration as a geophysicist or certification as an engineering geologist or certification as a hydrogeologist shall pay an examination fee fixed by the board at an amount equal to the actual cost to the board for the development and maintenance of the written examination, and shall not exceed one hundred dollars ($100).

3002. Tenses, Gender and Number. For the purposes of these rules and regulations, the present tense includes the past and the future tenses, and the future includes the present; the masculine gender includes the feminine, and the feminine, the masculine; and the singular includes the plural, and the plural, the singular.

3003. Definitions. For the purposes of the rules and regulations contained in this chapter, the term:
   (a) "Board" means the Board for Geologists and Geophysicists.
   (b) "Engineering Geology" means the application of geologic data, principles and interpretation so that geologic factors affecting planning, design, construction and maintenance of civil engineering works are properly recognized and utilized.
   (c) "Responsible Position" means a position whereby a person having individual control and direction of a geological project exercises individual initiative, skill and judgment in the investigation and interpretation of geological features, or the supervision of such projects. An individual can be considered to be in a responsible position even though not registered and working as a subordinate employee to a registered or qualified geologist.
   (d) "Professional geological work" is work performed at a professional level rather than at a subprofessional or apprentice level and requires the application of scientific knowledge, principles and methods to geological problems through the exercise of individual initiative and judgment in investigating, measuring, interpreting and reporting on the physical phenomena of the earth. Implicit in this definition is the recognition of professional responsibility and integrity and the acknowledgment of minimal supervision.
   "Professional geological work" specifically does not include such routine activities as drafting, sampling, sample preparation, routine laboratory work, etc., where the elements of initiative, scientific judgment and decision making are lacking, nor does it include activities which do not use scientific methods to process and interpret geologic data. Further, it specifically does not include soils engineering, soils sampling, soils testing or other activities in or related to the agricultural application of soils sciences. It also does not include mining, mining engineering or other engineering disciplines and/or other physical sciences wherein geological investigation, analysis and interpretation are minimal or lacking.
   (e) "Professional geophysical work" is work performed at a professional level rather than at a subprofessional or apprentice level and requires the application of scientific knowledge, principles and methods to geophysical problems through the exercise of individual initiative and judgment in investigating, measuring, interpreting and reporting on the physical phenomena of the earth. Implicit in this definition is the recognition of professional responsibility and integrity and the acknowledgment of minimal supervision.
   "Professional geophysical work" specifically does not include activities wherein the analysis or interpretation of geophysical or geological information is lacking. Such nonprofessional work could encompass party or crew chief and would encompass lesser forms of employment in field
parties, the manufacture, assembly or maintenance and repair of geophysical instruments and equipment, computer programming, data processing or retrieval and routine activities normally performed by a technician in acquiring and reporting on geophysical information where the elements of initiative, scientific judgment and decision making are absent. It also does not include those engineering disciplines and other physical sciences wherein geophysical or geological investigation, analysis and interpretation are minimal or lacking.

(f) "Practice of Geology or Geophysics."

(1) The practice of geology or geophysics "for others" includes but is not limited to the preparation of geologic or geophysical reports, documents or exhibits by any commission, board, department, district or division of the state or any political subdivision thereof or of any county, city or other public body or by the employees or staff members of such commission, board, department, district or division of the state or any political subdivision thereof or of any county, city or other public body when such reports, documents or exhibits are disseminated or made available to the public in such a manner that the public may reasonably be expected to rely thereon or be affected thereby.

(2) The practice of geology or geophysics "for others" includes but is not limited to the performance of geological or geophysical services by any individual, firm, partnership, corporation or other association or by the employees or staff members thereof, whether or not the principal business of such organization is the practice of geology or geophysics, when the geological or geophysical reports, documents or exhibits constituting the practice of geology or geophysics are disseminated or made available to the public or any individual or combination of individuals other than the employees or staff of such organization in such a manner that the public or said individual or combination of individuals may reasonably be expected to rely thereon or be affected thereby.

(3) Geological or geophysical reports, documents or exhibits which are prepared by the employees or staff members of any individual, firm, partnership, corporation or other association or commission, board, department, district, or division of the state or any political subdivision thereof or of any county, city or other public body which are for use solely within such organization are considered "in-house" reports, documents or exhibits and are not the practice of geology or geophysics for others unless or until such reports are disseminated or made available as set forth in subsection (1) or (2).

(g) "Code" means the Business and Professions Code.

(h) "Hydrogeology" means the application of the science of geology to the study of the occurrence, distribution, quantity and movement of water below the surface of the earth, as it relates to the interrelationships of geologic materials and processes with water, with particular emphasis given to groundwater quality.

Note: Authority cited: Section 7818, Business and Professions Code. Reference: Sections 7800, 7802, 7804, 7822, 7841 and 7841.1, Business and Professions Code.

3004. Delegation of Certain Functions. (a) Whenever it is stated in these rules and regulations that the "board" may or shall exercise or discharge any power, duty, purpose, function, or jurisdiction, the board specifically has reserved the same for its own, exclusive action.

(b) Whenever it is stated the "executive officer" may or shall exercise or discharge any power, duty, purpose, function, or jurisdiction, the executive officer for the board has the authority to act thereon.

(c) Any real party in interest may appeal to the board for review of the actions and decisions of the executive officer.

(d) Nothing herein prohibits the executive officer from redelegating duties to his or her subordinates as provided in Section 18572 of the Government Code.

In reaching a decision on a disciplinary action under the Administrative Procedure Act (Government Code Section 11400 et seq.), the board shall consider the disciplinary guidelines entitled “Disciplinary Guidelines” (initially published July 1992, republished January 1996, revised June 1998) which are hereby incorporated by reference. Deviation from these guidelines and orders, including the standard terms of probation, is appropriate where the board in its sole discretion determines that the facts of the particular case warrant such a deviation -- for example: the presence of mitigating factors; the age of the case; evidentiary problems.

3065. Professional Standards. To protect and safeguard the health, safety and welfare of the public, every person who holds a registration issued by the board shall comply with all
applicable laws, codes, and regulations and shall comply with professional standards in this section. A violation of any of the following professional standards in the practice of geology or geophysics constitutes a ground for disciplinary action:

(a) Competence:
(1) A geologist or geophysicist shall undertake to perform professional services only when he or she, together with those whom the registrant may engage as consultants, are qualified by education, training, and experience in the specific technical and scientific areas involved.
(2) When practicing geology or geophysics, a registrant shall act with competence and reasonable care and shall apply the technical knowledge and skill which is ordinarily applied by registrants of good standing, practicing in this state under similar circumstances and conditions.

(b) Misrepresentation:
(1) A registrant shall not misrepresent nor permit the misrepresentation of his or her professional qualifications, affiliations, or purposes or those of the institutions, organizations or other businesses with which he or she is associated.
(2) A registrant may advertise or solicit for any services for which he or she is authorized by registration provided such services are within his or her field of competence.
(3) A registrant shall accurately represent to a prospective or existing client or employer his or her qualifications and the scope of his or her responsibility in connection with projects or services for which he or she is receiving or will receive compensation.
(4) A registrant shall only express professional opinions that have a basis in fact or experience.
(5) A registrant shall not plagiarize the professional work of others and shall attribute proper credit to others for their work or contribution.
(6) A registrant shall not knowingly permit the publication or use of his or her data, reports or maps for unlawful purposes.
(7) A registrant shall not falsely or maliciously attempt to injure or in fact injure the reputation or business of others.
(8) A registrant shall not misrepresent data and its relative significance in any geologic or geophysical report.
(c) Conflict of Interest:
(1) A registrant shall not concurrently engage in any other business of occupation which impairs the registrant’s independence, objectivity, or creates a conflict of interest in rendering professional services.
(2) A registrant shall not accept compensation for services from more than one party on a project unless the circumstances are fully disclosed and agreed to by all such parties. Such disclosure and agreement shall be in writing.
(3) If a registrant has any business association or financial interest which is substantial enough to influence his or her judgment in connection with the performance of professional services, the registrant shall fully disclose in writing to his or her client(s) or employer(s) the nature of the business association or financial interest. If the client(s) or employer(s) object(s) to such association or financial interest, the registrant shall either terminate such association or interest or offer to give up the project or employment.
(4) A registrant shall not solicit or accept payments, rebates, refunds or commissions whether in the form of money or otherwise from material or equipment suppliers in return for specifying their products or services to a client or employer of the registrant.
(d) Confidential Information:
As used in this section, “confidential information” means information obtained in confidence by a registrant from his or her employer, prospective client, client or former client by reason of or in the course of his or her employment or other professional capacity. No confidential information obtained by a registrant, in his or her professional capacity, concerning an employer or client
shall be disclosed by the registrant without the permission of the employer or client except for the following:

1. Displaying his or her license certificate in a public area of the premises where the licensee provides the licensed service.
2. Posting a notice in a public area of the premises where the licensee provides the licensed services, in at least 48-point type, that states that the named licensee is licensed by the Board.

(b) The party or parties in responsible charge of geologic and/or geophysical projects shall:

1. Include a statement that he or she is licensed by the Board on contracts for service, bid documents, and/or responses for proposals or qualifications, where the notice is placed immediately above the signature line for the client in at least 12-point type.

7.5. Conviction of a Crime. A conviction within the meaning of this code means a plea or
verdict of guilty or a conviction following a plea of nolo contendere. Any action which a board is
permitted to take following the establishment of a conviction may be taken when the time for
appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an
order granting probation is made suspending the imposition of sentence, irrespective of a
subsequent order under the provisions of Section 1203.4 of the Penal Code. However, a board
may not deny a license to an applicant who is otherwise qualified pursuant to subdivision (b) of
Section 480. Nothing in this section shall apply to the licensure of persons pursuant to Chapter
4 (commencing with Section 6000) of Division 3.

12.5. Citations; Violations of Regulations. Whenever in any provision of this code
authority is granted to issue a citation for a violation of any provision of this code, that authority
also includes the authority to issue a citation for the violation of any regulation adopted pursuant
to any provision of this code.

22. Board. (a) “Board,” as used in any provision of this code, refers to the board in which the
administration of the provision is vested, and unless otherwise expressly provided, shall include
“bureau,” “commission,” “committee,” “department,” “division,” “examining committee,”
“program,” and “agency.”
(b) Whenever the regulatory program of a board that is subject to review by the Joint
Legislative Sunset Review Committee, as provided for in Division 1.2 (commencing with Section
473), is taken over by the department, that program shall be designated as a “bureau.”

29.5. Compliance with Support Orders/License Qualifications. In addition to other
qualifications for licensure prescribed by the various acts of boards under the department,
applicants for licensure and licensees renewing their licenses shall also comply with Section
11350.6 of the Welfare and Institutions Code.

30. Tax Enforcement; Furnishing of Federal Employer Identification Number, Social
Security Number and Other Information; Penalty; Filing Reported Information;
Confidentiality; Legislative Intent. (a) Notwithstanding any other provision of law, any
board, as defined in Section 22, and the State Bar and the Department of Real Estate shall at the time of issuance or renewal of the license require that any licensee provide its federal employer identification number if the licensee is a partnership or his or her social security number for all others.

(b) Any licensee failing to provide the federal identification number or social security number shall be reported by the licensing board to the Franchise Tax Board and, if failing to provide after notification pursuant to paragraph (1) of subdivision (b) of Section 19528 of the Revenue and Taxation Code, shall be subject to the penalty provided in paragraph (2) of subdivision (b) of Section 19528 of the Revenue and Taxation Code.

(c) In addition to the penalty specified in subdivision (b), a licensing board may not process any application for an original license or for renewal of a license unless the applicant or licensee provides its federal employer identification number or social security number where requested on the application.

(d) A licensing board shall, upon request of the Franchise Tax Board, furnish to the Franchise Tax Board the following information with respect to every licensee:

1. Name.
2. Address or addresses of record.
3. Federal employer identification number if the entity is a partnership or social security number for all others.
4. Type of license.
5. Effective date of license or a renewal.
6. Expiration date of license.
7. Whether license is active or inactive, if known.
8. Whether license is new or a renewal.

(e) For the purposes of this section:

1. "Licensee" means any entity, other than a corporation, authorized by a license, certificate, registration, or other means to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.
2. "License" includes a certificate, registration, or any other authorization needed to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.
3. "Licensing board" means any board, as defined in Section 22, the State Bar, and the Department of Real Estate.

(f) The reports required under this section shall be filed on magnetic media or in other machine-readable form, according to standards furnished by the Franchise Tax Board.

(g) Licensing boards shall provide to the Franchise Tax Board the information required by this section at a time that the Franchise Tax Board may require.

(h) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, the social security number and federal employer identification number furnished pursuant to this section shall not be deemed to be a public record and shall not be open to the public for inspection.

(i) Any deputy, agent, clerk, officer, or employee of any licensing board described in subdivision (a), or any former officer or employee or other individual who in the course of his or her employment or duty has or has had access to the information required to be furnished under this section, may not disclose or make known in any manner that information, except as provided in this section to the Franchise Tax Board or as provided in subdivision (k).

(j) It is the intent of the Legislature in enacting this section to utilize the social security account number or federal employer identification number for the purpose of establishing the identification of persons affected by state tax laws and for purposes of compliance with Section 17520 of the Family Code and, to that end, the information furnished pursuant to this section shall be used exclusively for those purposes.
(k) If the board utilizes a national examination to issue a license, and if a reciprocity agreement or comity exists between the State of California and the state requesting release of the social security number, any deputy, agent, clerk, officer, or employee of any licensing board described in subdivision (a) may release a social security number to an examination or licensing entity, only for the purpose of verification of licensure or examination status.

(l) For the purposes of enforcement of Section 11350.6 of the Family Code, and notwithstanding any other provision of law, any board, as defined in Section 22, and the State Bar and the Department of Real Estate shall at the time of issuance or renewal of the license require that each licensee provide the social security number of each individual listed on the license and any person who qualifies the license. For the purposes of this subdivision, “licensee” means any entity that is issued a license by any board, as defined in Section 22, the State Bar, the Department of Real Estate, and the Department of Motor Vehicles.

31. Licensees not in Compliance with a Judgment or Order for Support; Enforcement of Obligation. (a) As used in this section, “board” means any entity listed in Section 101, the entities referred to in Sections 1000 and 3600, the State Bar, the Department of Real Estate, and any other state agency that issues a license, certificate, or registration authorizing a person to engage in a business or profession.

(b) Each applicant for the issuance or renewal of a license, certificate, registration, or other means to engage in a business or profession regulated by a board who is not in compliance with a judgment or order for support shall be subject to Section 11350.6 of the Welfare and Institutions Code.

(c) “Compliance with a judgment or order for support,” has the meaning given in paragraph (4) of subdivision (a) of Section 11350.6 of the Welfare and Institutions Code.

101.1. Review of Boards. (a) It is the intent of the Legislature that all existing and proposed consumer-related boards or categories of licensed professionals be subject to a review every four years to evaluate and determine whether each board has demonstrated a public need for the continued existence of that board in accordance with enumerated factors and standards as set forth in Division 1.2 (commencing with Section 473).

(b) (1) In the event that any board, as defined in Section 477, becomes inoperative or is repealed in accordance with the act that added this section, or by subsequent acts, the Department of Consumer Affairs shall succeed to and is vested with all the duties, powers, purposes, responsibilities and jurisdiction not otherwise repealed or made inoperative of that board and its executive officer.

(2) Any provision of existing law that provides for the appointment of board members and specifies the qualifications and tenure of board members shall not be implemented and shall have no force or effect while that board is inoperative or repealed. Every reference to the inoperative or repealed board, as defined in Section 477, shall be deemed to be a reference to the department.

(3) Notwithstanding Section 107, any provision of law authorizing the appointment of an executive officer by a board subject to the review described in Division 1.2 (commencing with Section 473), or prescribing his or her duties, shall not be implemented and shall have no force or effect while the applicable board is inoperative or repealed. Any reference to the executive officer of an inoperative or repealed board shall be deemed to be a reference to the director or his or her designee.

(c) It is the intent of the Legislature that subsequent legislation to extend or repeal the inoperative date for any board shall be a separate bill for that purpose.

101.6. Purpose. The boards, bureaus, and commissions in the department are established for the purpose of ensuring that those private businesses and professions deemed to engage in activities which have potential impact upon the public health, safety, and welfare are adequately regulated in order to protect the people of California.

To this end, they establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective
services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards. They provide a means for redress of grievances by investigating allegations of unprofessional conduct, incompetence, fraudulent action, or unlawful activity brought to their attention by members of the public and institute disciplinary action against persons licensed or registered under the provisions of this code when such action is warranted. In addition, they conduct periodic checks of licensees, registrants, or otherwise certified persons in order to ensure compliance with the relevant sections of this code.

103. Board Membership; Compensation. Each member of a board, commission, or committee created in the various chapters of Division 2 (commencing with Section 500) and Division 3 (commencing with Section 5000), and in Chapter 2 (commencing with Section 18600) and Chapter 3 (commencing with Section 19000) of Division 8, shall receive the moneys specified in this section when authorized by the respective provisions.

Each such member shall receive a per diem of one hundred dollars ($100) for each day actually spent in the discharge of official duties, and shall be reimbursed for traveling and other expenses necessarily incurred in the performance of official duties. The payments in each instance shall be made only from the fund from which the expenses of the agency are paid and shall be subject to the availability of money.

Notwithstanding any other provision of law, no public officer or employee shall receive per diem salary compensation for serving on those boards, commissions, committees, or the Consumer Advisory Council on any day when the officer or employee also received compensation for his or her regular public employment.

105.5. Holdover Term. Notwithstanding any other provision of this code, each member of a board, commission, examining committee, or other similarly constituted agency within the department shall hold office until the appointment and qualification of his successor or until one year shall have elapsed since the expiration of the term for which he was appointed, whichever first occurs.

106. Removal of Board Member. The Governor has power to remove from office at any time, any member of any board appointed by him for continued neglect of duties required by law, or for incompetence, or unprofessional or dishonorable conduct. Nothing in this section shall be construed as a limitation or restriction on the power of the Governor, conferred on him by any other provision of law, to remove any member of any board.

106.5. Removal of Board Member for Disclosure of Examination Questions.

Notwithstanding any other provision of law, the Governor may remove from office a member of a board or other licensing entity in the department if it is shown that such member has knowledge of the specific questions to be asked on the licensing entity's next examination and directly or indirectly discloses any such question or questions in advance of or during the examination to any applicant for that examination.

The proceedings for removal shall be conducted in accordance with the provisions of Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code, and the Governor shall have all the powers granted therein.

107. Executive Officer. Pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution, each board may appoint a person exempt from civil service and may fix his or her salary, with the approval of the Department of Personnel Administration pursuant to Section 19825 of the Government Code, who shall be designated as an executive officer unless the licensing act of the particular board designates the person as a registrar.
107.5. Official Board Seal. If any board in the department uses an official seal pursuant to any provision of this code, the seal shall contain the words "State of California" and "Department of Consumer Affairs" in addition to the title of the board, and shall be in a form approved by the director.

108. Function of Boards. Each of the boards comprising the department exists as a separate unit, and has the functions of setting standards, holding meetings, and setting dates thereof, preparing and conducting examinations, passing upon applicants, conducting investigations of violations of laws under its jurisdiction, issuing citations and holding hearings for the revocation of licenses, and the imposing of penalties following such hearings, in so far as these powers are given by statute to each respective board.

109. Finality of Decisions. (a) The decisions of any of the boards comprising the department with respect to setting standards, conducting examinations, passing candidates, and revoking licenses, are not subject to review by the director, but are final within the limits provided by this code which are applicable to the particular board, except as provided in this section.

(b) The director may initiate an investigation of any allegations of misconduct in the preparation, administration, or scoring of an examination which is administered by a board, or in the review of qualifications which are a part of the licensing process of any board. A request for investigation shall be made by the director to the Division of Investigation through the chief of the division or to any law enforcement agency in the jurisdiction where the alleged misconduct occurred.

(c) The director may intervene in any matter of any board where an investigation by the Division of Investigation discloses probable cause to believe that the conduct or activity of a board, or its members or employees constitutes a violation of criminal law.

The term "intervene," as used in paragraph (c) of this section may include, but is not limited to, an application for a restraining order or injunctive relief as specified in Section 123.5, or a referral or request for criminal prosecution. For purposes of this section, the director shall be deemed to have standing under Section 123.5 and shall seek representation of the Attorney General, or other appropriate counsel in the event of a conflict in pursuing that action.

110. Department Possession and Control. The department shall have possession and control of all records, books, papers, offices, equipment, supplies, funds, appropriations, land and other property—real or personal—now or hereafter held for the benefit or use of all of the bodies, offices or officers comprising the department. The title to all property held by any of these bodies, offices or officers for the use and benefit of the state, is vested in the State of California to be held in the possession of the department. Except as authorized by a board, the department shall not have the possession and control of examination questions prior to submission to applicants at scheduled examinations.

111. Examination Commissioners. Unless otherwise expressly provided, any board may, with the approval of the appointing power, appoint qualified persons, who shall be designated as commissioners on examination, to give the whole or any portion of any examination. A commissioner on examination need not be a member of the board but he shall have the same qualifications as one and shall be subject to the same rules.

112. Directories of Licensees. Notwithstanding any other provision of this code, no agency in the department, with the exception of the Board for Professional Engineers and Land Surveyors, shall be required to compile, publish, sell, or otherwise distribute a directory. When
an agency deems it necessary to compile and publish a directory, the agency shall cooperate with the director in determining its form and content, the time and frequency of its publication, the persons to whom it is to be sold or otherwise distributed, and its price if it is sold. Any agency that requires the approval of the director for the compilation, publication, or distribution of a directory, under the law in effect at the time the amendment made to this section at the 1970 Regular Session of the Legislature becomes effective, shall continue to require that approval. As used in this section, "directory" means a directory, roster, register, or similar compilation of the names of persons who hold a license, certificate, permit, registration, or similar indicia of authority from the agency.

118. Withdrawal of Application or Surrender of License-Continuation of Proceedings.

(a) The withdrawal of an application for a license after it has been filed with a board in the department shall not, unless the board has consented in writing to such withdrawal, deprive the board of its authority to institute or continue a proceeding against the applicant for the denial of the license upon any ground provided by law or to enter an order denying the license upon any such ground.

(b) The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground.

(c) As used in this section, "board" includes an individual who is authorized by any provision of this code to issue, suspend, or revoke a license, and "license" includes "certificate," "registration," and "permit."

121. Renewal of Licensure. No licensee who has complied with the provisions of this code relating to the renewal of his or her license prior to expiration of such license shall be deemed to be engaged illegally in the practice of his or her business or profession during any period between such renewal and receipt of evidence of such renewal which may occur due to delay not the fault of the applicant.

As used in this section, "license" includes "certificate," "permit," "authorization," and "registration," or any other indicia giving authorization, by any agency, board, bureau, commission, committee, or entity within the Department of Consumer Affairs, to engage in a business or profession regulated by this code or by the board referred to in the Chiropractic Act or the Osteopathic Act.

122. Duplicate Certificates. Except as otherwise provided by law, the department and each of the boards, bureaus, committees, and commissions within the department may charge a fee for the processing and issuance of a duplicate copy of any certificate of licensure or other form evidencing licensure or renewal of licensure. The fee shall be in an amount sufficient to cover all costs incident to the issuance of the duplicate certificate or other form but shall not exceed twenty-five dollars ($25).

123. Subversion of Licensing Examinations or Administration of Examination; Conduct Constituting Violation; Penalty. It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

Nothing in this section shall preclude prosecution under the authority provided for in any other provision of law.

In addition to any other penalties, a person found guilty of violating this section shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars ($10,000) and the costs of litigation.

(c) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.
124. Manner of Giving Written Notice. Notwithstanding subdivision (c) of Section 11505 of the Government Code, whenever written notice, including a notice, order, or document served pursuant to Chapter 3.5 (commencing with Section 11340), Chapter 4 (commencing with Section 11370), or Chapter 5 (commencing with Section 11500), of Part 1 of Division 3 of Title 2 of the Government Code, is required to be given by any board in the department, the notice may be given by regular mail addressed to the last known address of the licentiate or by personal service, at the option of the board.

125. Conspiracy with Unlicensed Person. Any person, licensed under Division 1 (commencing with Section 100), Division 2 (commencing with Section 500), or Division 3 (commencing with Section 5000) is guilty of a misdemeanor and subject to the disciplinary provisions of this code applicable to him or her, who conspires with a person not so licensed to violate any provision of this code, or who, with intent to aid or assist that person in violating those provisions does either of the following:
   (a) Allows his or her license to be used by that person.
   (b) Acts as his or her agent or partner.

125.3. Investigation and Enforcement Costs; Payment by Licentiate. (a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, or the board created by the Chiropractic Initiative Act, the board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.
   (b) In the case of a disciplined licentiate that is a corporation or partnership, the order may be made against the licensed corporate entity or licensed partnership.
   (c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.
   (d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge where the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).
   (e) Where an order for recovery of costs is made and timely payment is not made as directed in the board’s decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licentiate to pay costs.
   (f) In any action for recovery of costs, proof of the board’s decision shall be conclusive proof of the validity of the order of payment and the terms for payment.
   (g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licentiate who has failed to pay all of the costs ordered under this section.
      (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licentiate who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.
   (h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.
(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in that board’s licensing act provides for recovery of costs in an administrative disciplinary proceeding.

125.5. Injunction, Restitution, and Reimbursement for Code Violations. (a) The superior court for the county in which any person has engaged or is about to engage in any act which constitutes a violation of a chapter of this code administered or enforced by a board within the department may, upon a petition filed by the board with the approval of the director, issue an injunction or other appropriate order restraining such conduct. The proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure. As used in this section, "board" includes commission, bureau, division, agency and a medical quality review committee.

(b) The superior court for the county in which any person has engaged in any act which constitutes a violation of a chapter of this code administered or enforced by a board within the department may, upon a petition filed by the board with the approval of the director, order such person to make restitution to persons injured as a result of such violation.

(c) The court may order a person subject to an injunction or restraining order, provided for in subdivision (a) of this section, or subject to an order requiring restitution pursuant to subdivision (b), to reimburse the petitioning board for expenses incurred by the board in its investigation related to its petition.

(d) The remedy provided for by this section shall be in addition to, and not a limitation on, the authority provided for in any other section of this code.

125.6. Disciplinary Action Against Licensees Who Discriminate Against Race, Color, Sex, Religion, Ancestry, Disability, Marital Status, or National Origin. Every person who holds a license under the provisions of this code is subject to disciplinary action under the disciplinary provisions of this code applicable to such person if, because of the applicant’s race, color, sex, religion, ancestry, disability, marital status, or national origin, he or she refuses to perform the licensed activity or aids or incites the refusal to perform such licensed activity by another licensee, or if, because of the applicant’s race, color, sex, religion, ancestry, disability, marital status, or national origin, he or she makes any discrimination, or restriction in the performance of the licensed activity. Nothing in this section shall be interpreted to apply to discrimination by employers with regard to employees or prospective employees, nor shall this section authorize action against any club license issued pursuant to Article 4 (commencing with Section 23425) of Chapter 3 of Division 9 because of discriminatory membership policy. The presence of architectural barriers to an individual with physical disabilities which conform to applicable state or local building codes and regulations shall not constitute discrimination under this section.

Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to permit an individual to participate in, or benefit from, the licensed activity of the licensee where that individual poses a direct threat to the health or safety of others. For this purpose, the term “direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures or by the provision of auxiliary aids and services.

“License,” as used in this section, includes “certificate,” “permit,” “authority,” and “registration” or any other indicia giving authorization to engage in a business or profession regulated by this code. “Applicant,” as used in this section means a person applying for licensed services provided by a person licensed under this code.

“Disability” means any of the following with respect to an individual:
(a) A physical or mental impairment that substantially limits one or more of the major life activities of the individual.
(b) A record of such an impairment.
(c) Being regarded as having such an impairment.

125.9. System for Issuance of Citation to Licensee; Establishment; Mandatory and Permissive Provisions; Fines; Application of Section. (a) Except with respect to persons regulated under Chapter 11 (commencing with Section 7500), and Chapter 11.6 (commencing with Section 7590) of Division 3, any board, bureau, or commission within the department, the board created by the Chiropractic Initiative Act, and the Osteopathic Medical Board of California, may establish by regulation, a system for the issuance to a licensee of a citation which may contain an order of abatement or an order to pay an administrative fine assessed by the board, bureau, or commission where the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto.

(b) The system shall contain the following provisions:
(1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.
(2) Whenever appropriate, the citation shall contain an order of abatement fixing a reasonable time for abatement of the violation.
(3) In no event shall the administrative fine assessed by the board, bureau, or commission exceed two thousand five hundred dollars ($2,500) for each inspection or each investigation made with respect to the violation, or two thousand five hundred dollars ($2,500) for each violation or count if the violation involves fraudulent billing submitted to an insurance company, the Medi-Cal program, or Medicare. In assessing a fine, the board, bureau, or commission shall give due consideration to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith of the licensee, and the history of previous violations.
(4) A citation or fine assessment issued pursuant to a citation shall inform the licensee that if he or she desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board, bureau, or commission within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
(5) Failure of a licensee to pay a fine within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board, bureau, or commission. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.
(6) The system may contain the following provisions:
(1) A citation may be issued without the assessment of an administrative fine.
(2) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act.
(d) Notwithstanding any other provision of law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine shall be represented as satisfactory resolution of the matter for purposes of public disclosure.
(e) Administrative fines collected pursuant to this section shall be deposited in the special fund of the particular board, bureau, or commission.

128. Unlawful Sale of Goods or Services. Notwithstanding any other provision of law, it is a misdemeanor to sell equipment, supplies, or services to any person with knowledge that the
equipment, supplies, or services are to be used in the performance of a service or contract in violation of the licensing requirements of this code.

The provisions of this section shall not be applicable to cash sales of less than one hundred dollars ($100).

For the purposes of this section, "person" includes, but is not limited to, a company, partnership, limited liability company, firm, or corporation.

For the purposes of this section, "license" includes certificate or registration. A violation of this section shall be punishable by a fine of not less than one thousand dollars ($1,000) and by imprisonment in the county jail not exceeding six months.

128.5. Surplus Funds. (a) Notwithstanding any other provision of law, if at the end of any fiscal year, an agency within the Department of Consumer Affairs, except the agencies referred to in subdivision (b), has unencumbered funds in an amount that equals or is more than the agency’s operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency’s operating budget for the next two fiscal years.

(b) Notwithstanding any other provision of law, if at the end of any fiscal year, the California Architects Board, the Board of Behavioral Science Examiners, the Veterinary Medical Board, the Court Reporters Board of California, the Medical Board of California, the Board of Vocational Nursing and Psychiatric Technicians, or the Bureau of Security and Investigative Services has unencumbered funds in an amount that equals or is more than the agency’s operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency’s operating budget for the next two fiscal years.

129. Complaint Handling Requirements. (a) As used in this section, "board" means every board, bureau, commission, committee and similarly constituted agency in the department which issues licenses.

(b) Each board shall, upon receipt of any complaint respecting a licentiate thereof, notify the complainant of the initial administrative action taken on his complaint within 10 days of receipt. Each board shall thereafter notify the complainant of the final action taken on his complaint. There shall be a notification made in every case in which the complainant is known. If the complaint is not within the jurisdiction of the board or if the board is unable to dispose satisfactorily of the complaint, the board shall transmit the complaint together with any evidence or information it has concerning the complaint to the agency, public or private, whose authority in the opinion of the board will provide the most effective means to secure the relief sought. The board shall notify the complainant of such action and of any other means which may be available to the complainant to secure relief.

(c) The board shall, when the board deems it appropriate, notify the person against whom the complaint is made of the nature of the complaint, may request appropriate relief for the complainant, and may meet and confer with the complainant and the licentiate in order to mediate the complaint. Nothing in this subdivision shall be construed as authorizing or requiring any board to set or to modify any fee charged by a licentiate.

(d) It shall be the continuing duty of the board to ascertain patterns of complaints and to report on all actions taken with respect to such patterns of complaints to the director and to the Legislature at least once a year. The board shall evaluate those complaints dismissed for lack of jurisdiction or no violation and recommend to the director and to the Legislature at least once
a year such statutory changes as it deems necessary to implement the board's functions and responsibilities under this section.

(e) It shall be the continuing duty of the board to take whatever action it deems necessary, with the approval of the director, to inform the public of its functions under this section.

130. Terms of Office. (a) Notwithstanding any other provision of law, the term of office of any member of an agency designated in subdivision (b) shall be for a term of four years expiring on June 1.

(b) Subdivision (a) applies to the following boards or committees:

(1) The Medical Board of California.
(2) The California Board of Podiatric Medicine.
(3) The Physical Therapy Board of California.
(4) The Board of Registered Nursing.
(5) The Board of Vocational Nursing and Psychiatric Technicians.

(8) The Veterinary Medical Board.
(9) The California Architects Board.
(10) The Landscape Architect Technical Committee.
(11) The Board for Professional Engineers and Land Surveyors.
(12) The Contractors' State License Board.

(19) The State Athletic Commission.
(20) The Osteopathic Medical Board of California.
(21) The Respiratory Care Board of California.
(22) The Acupuncture Board.
(23) The Board of Psychology.

131. Limit on Terms. Notwithstanding any other provision of law, no member of an agency designated in subdivision (b) of Section 130 or member of a board, commission, committee, or similarly constituted agency in the department shall serve more than two consecutive full terms.

132. Legal Actions Against Government Agencies-Permission Required. No board, commission, examining committee, or any other agency within the department may institute or join any legal action against any other agency within the state or federal government without the permission of the director.

Prior to instituting or joining in a legal action against an agency of the state or federal government, a board, commission, examining committee, or any other agency within the department shall present a written request to the director to do so.

Within 30 days of receipt of the request, the director shall communicate his or her approval or denial of the request and his or her reasons for approval or denial to the requesting agency in writing. If the director does not act within 30 days, the request shall be deemed approved.

A requesting agency within the department may override the director's denial of its request to institute or join a legal action against a state or federal agency by a two-thirds vote of the members of the board, commission, examining committee, or other agency, which vote shall
include the vote of at least one public member of that board, commission, examining committee, or other agency.

134. **Prorated Initial License Fees.** When the term of any license issued by any agency in the department exceeds one year, initial license fees for licenses which are issued during a current license term shall be prorated on a yearly basis.

135. **Repeated Examinations.** No agency in the department shall, on the basis of an applicant's failure to successfully complete prior examinations, impose any additional limitations, restrictions, prerequisites, or requirements on any applicant who wishes to participate in subsequent examinations except that any examining agency which allows an applicant conditional credit for successfully completing a divisible part of an examination may require that an applicant be reexamined in those parts successfully completed if such applicant has not successfully completed all parts of the examination within a required period of time established by the examining agency. Nothing in this section, however, requires the exemption of such applicant from the regular fees and requirements normally associated with examinations.

136. **Notice of Change in Mailing Address.** (a) Each person holding a license, certificate, registration, permit, or other authority to engage in a profession or occupation issued by a board within the department shall notify the issuing board at its principal office of any change in his or her mailing address within 30 days after the change, unless the board has specified by regulations a shorter time period.

(b) Except as otherwise provided by law, failure of a licentiate to comply with the requirement in subdivision (a) constitutes grounds for the issuance of a citation and administrative fine, if the board has the authority to issue citations and administrative fines.

137. **License Numbers-Inclusion in Advertising.** Any agency within the department may promulgate regulations requiring licensees to include their license numbers in any advertising, soliciting, or other presentments to the public.

However, nothing in this section shall be construed to authorize regulation of any person not a licensee who engages in advertising, solicitation, or who makes any other presentment to the public on behalf of a licensee. Such a person shall incur no liability pursuant to this section for communicating in any advertising, soliciting, or other presentment to the public a licensee's license number exactly as provided to him by the licensee or for failure to communicate such number if none is provided to him by the licensee.

138. **Practitioner Notice of Licensure to Clients/Customers.** Every board in the department, as defined in Section 22, shall initiate the process of adopting regulations on or before June 30, 1999, to require its licentiates, as defined in Section 23.8, to provide notice to their clients or customers that the practitioner is licensed by this state. A board shall be exempt from the requirement to adopt regulations pursuant to this section if the board has in place, in statute or regulation, a requirement that provides for consumer notice of a practitioner's status as a licensee of this state.

139. **Occupational Analyses; Examination Validation.** (a) The Legislature finds and declares that occupational analyses and examination validation studies are fundamental components of licensure programs. It is the intent of the Legislature that the policy developed by the department pursuant to subdivision (b) be used by the fiscal, policy, and sunset review committees of the Legislature in their annual reviews of these boards, programs, and bureaus.

(b) Notwithstanding any other provision of law, the department shall develop, in consultation with the boards, programs, bureaus, and divisions under its jurisdiction, and the Osteopathic
Medical Board of California and the State Board of Chiropractic Examiners, a policy regarding examination development and validation, and occupational analysis. The department shall finalize and distribute this policy by September 30, 1999, to each of the boards, programs, bureaus, and divisions under its jurisdiction and to the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. This policy shall be submitted in draft form at least 30 days prior to that date to the appropriate fiscal, policy, and sunset review committees of the Legislature for review. This policy shall address, but shall not be limited to, the following issues:

1. An appropriate schedule for examination validation and occupational analyses, and circumstances under which more frequent reviews are appropriate.
2. Minimum requirements for psychometrically sound examination validation, examination development, and occupational analyses, including standards for sufficient number of test items.
3. Standards for review of state and national examinations.
4. Setting of passing standards.
5. Appropriate funding sources for examination validations and occupational analyses.
6. Conditions under which boards, programs, and bureaus should use internal and external entities to conduct these reviews.
7. Standards for determining appropriate costs of reviews of different types of examinations, measured in terms of hours required.
8. Conditions under which it is appropriate to fund permanent and limited term positions within a board, program, or bureau to manage these reviews.

(c) Every regulatory board and bureau, as defined in Section 22, and every program and bureau administered by the department, the Osteopathic Medical Board of California, and the State Board of Chiropractic Examiners, shall submit to the director on or before December 1, 1999, and on or before December 1 of each subsequent year, its method for ensuring that every licensing examination administered by or pursuant to contract with the board is subject to periodic evaluation. The evaluation shall include (1) a description of the occupational analysis serving as the basis for the examination; (2) sufficient item analysis data to permit a psychometric evaluation of the items; (3) an assessment of the appropriateness of prerequisites for admittance to the examination; and (4) an estimate of the costs and personnel required to perform these functions. The evaluation shall be revised and a new evaluation submitted to the director whenever, in the judgment of the board, program, or bureau, there is a substantial change in the examination or the prerequisites for admittance to the examination.

(d) The evaluation may be conducted by the board, program, or bureau, the Office of Examination Resources of the department, the Osteopathic Medical Board of California, or the State Board of Chiropractic Examiners or pursuant to a contract with a qualified private testing firm. A board, program, or bureau that provides for development or administration of a licensing examination pursuant to contract with a public or private entity may rely on an occupational analysis or item analysis conducted by that entity. The department shall compile this information, along with a schedule specifying when examination validations and occupational analyses shall be performed, and submit it to the appropriate fiscal, policy, and sunset review committees of the Legislature by September 30 of each year. It is the intent of the Legislature that the method specified in this report be consistent with the policy developed by the department pursuant to subdivision (b).

140. Employee Wages-Availability of Records. Any board, as defined in Section 22, which is authorized under this code to take disciplinary action against a person who holds a license may take disciplinary action upon the ground that the licensee has failed to record and preserve for not less than three years, any and all cash transactions involved in the payment of employee wages by a licensee. Failure to make these records available to an authorized representative of
the board may be made grounds for disciplinary action. In any action brought and sustained by the board which involves a violation of this section and any regulation adopted thereto, the board may assess the licensee with the actual investigative costs incurred, not to exceed two thousand five hundred dollars ($2,500). Failure to pay those costs may result in revocation of the license. Any moneys collected pursuant to this section shall be deposited in the respective fund of the board.

141. Disciplinary Action by Foreign Jurisdiction; Grounds for Disciplinary Action in State. (a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country.

143. Action for Collection of Compensation on Contract; Proof of Licensure; Substantial Compliance; Application. (a) No person engaged in any business or profession for which a license is required under this code governing the department or any board, bureau, commission, committee, or program within the department, may bring or maintain any action, or recover in law or equity in any action, in any court of this state for the collection of compensation for the performance of any act or contract for which a license is required without alleging and proving that he or she was duly licensed at all times during the performance of that act or contract, regardless of the merits of the cause of action brought by the person.

(b) The judicial doctrine of substantial compliance shall not apply to this section.

(c) This section shall not apply to an act or contract that is considered to qualify as lawful practice of a licensed occupation or profession pursuant to Section 121.

Division 1., Chapter 1.5. Unlicensed Activity Enforcement

148. Administrative Citations for License Violations; Use of Additional Enforcement Statutes. Any board, bureau, or commission within the department may, in addition to the administrative citation system authorized by Section 125.9, also establish, by regulation, a similar system for the issuance of an administrative citation to an unlicensed person who is acting in the capacity of a licensee or registrant under the jurisdiction of that board, bureau, or commission. The administrative citation system authorized by this section shall meet the requirements of Section 125.9 and may not be applied to an unlicensed person who is otherwise exempted from the provisions of the applicable licensing act. The establishment of an administrative citation system for unlicensed activity does not preclude the use of other enforcement statutes for unlicensed activities at the discretion of the board, bureau, or commission.

149. Telephone Directory Advertisement by Persons without Proper License or Registration; Orders to Cease and Correct; Disconnection of Telephone Service. (a) If, upon investigation, an agency designated in subdivision (e) has probable cause to believe that a person is advertising in a telephone directory with respect to the offering or performance of services, without being properly licensed by or registered with the agency to offer or perform
those services, the agency may issue a citation under Section 148 containing an order of
correction which requires the violator to do both of the following:
   (1) Cease the unlawful advertising.
(a) Notify the telephone company furnishing services to the violator to disconnect the
   telephone service furnished to any telephone number contained in the unlawful advertising.
   (b) This action is stayed if the person to whom a citation is issued under subdivision (a)
   notifies the agency in writing that he or she intends to contest the citation. The agency shall
   afford an opportunity for a hearing, as specified in Section 125.9.
   (c) If the person to whom a citation and order of correction is issued under subdivision (a) fails
   to comply with the order of correction after that order is final, the agency shall inform the Public
   Utilities Commission of the violation and the Public Utilities Commission shall require the
   telephone corporation furnishing services to that person to disconnect the telephone service
   furnished to any telephone number contained in the unlawful advertising.
   (d) The good faith compliance by a telephone corporation with an order of the Public Utilities
   Commission to terminate service issued pursuant to this section shall constitute a complete
   defense to any civil or criminal action brought against the telephone corporation arising from the
   termination of service.
   (e) Subdivision (a) shall apply to the following boards, bureaus, committees, commissions, or
   programs:
   (1) The Bureau of Barbering and Cosmetology.

   Governor's pleasure. The director shall receive the annual salary provided for by Chapter 6
   (commencing with Section 11550) of Part 1 of Division 3 of Title 2 of the Government Code, and
   his or her necessary traveling expenses.
152.5. Adjustment of License Renewal Dates. For purposes of distributing the reregistration work of the department uniformly throughout the year as nearly as practicable, the boards in the department may, with the approval of the director, extend by not more than six months the date fixed by law for the renewal of any license, certificate or permit issued by them, except that in such event any renewal fee which may be involved shall be prorated in such manner that no person shall be required to pay a greater or lesser fee than would have been required had the change in renewal dates not occurred.

152.6. Authority to Adjust License Renewal Dates. Notwithstanding any other provision of this code, each board within the department shall, in cooperation with the director, establish such license periods and renewal dates for all licenses in such manner as best to distribute the renewal work of all boards throughout each year and permit the most efficient, and economical use of personnel and equipment. To the extent practicable, provision shall be made for the proration or other adjustment of fees in such manner that no person shall be required to pay a greater or lesser fee than he would have been required to pay if the change in license periods or renewal dates had not occurred.

As used in this section "license" includes "certificate," "permit," "authority," "registration," and similar indicia of authority to engage in a business or profession, and "board" includes "board," "commission," "committee," and an individual who is authorized to renew a license.

155. Employment of Investigators/Contracts with Investigators. (a) In accordance with Section 159.5, the director may employ such investigators, inspectors, and deputies as are necessary properly to investigate and prosecute all violations of any law, the enforcement of which is charged to the department or to any board, agency, or commission in the department.

(b) It is the intent of the Legislature that inspectors used by boards, bureaus, or commissions in the department shall not be required to be employees of the Division of Investigation, but may either be employees of, or under contract to, the boards, bureaus, or commissions. Contracts for services shall be consistent with Article 4.5 (commencing with Section 19130) of Chapter 6 of Part 2 of Division 5 of Title 2 of the Government Code. All civil service employees currently employed as inspectors whose functions are transferred as a result of this section shall retain their positions, status, and rights in accordance with Section 19994.10 of the Government Code and the State Civil Service Act (Part 2 (commencing with Section 18500) of Division 5 of Title 2 of the Government Code).

(c) Nothing in this section limits the authority of, or prohibits, investigators in the Division of Investigation in the conduct of inspections or investigations of any licensee, or in the conduct of investigations of any officer or employee of a board or the department at the specific request of the director or his or her designee.

157. Criminal Prosecution/Unprofessional Conduct Proceeding Expenses. Expenses incurred by any board or on behalf of any board in any criminal prosecution or unprofessional conduct proceeding constitute proper charges against the funds of the board.

158. Refunds, Claims and Warrants. With the approval of the Director of Consumer Affairs, the boards and commissions comprising the department or subject to its jurisdiction may make refunds to applicants who are found ineligible to take the examinations or whose credentials are insufficient to entitle them to certificates or licenses.

Notwithstanding any other provision of law any application fees, license fees or penalties imposed and collected illegally, by mistake, inadvertence, or error shall be refunded. Claims authorized by the department shall be filed with the State Controller, and the Controller shall draw his warrant against the fund of the agency in payment of such refund.
159. Administration of Oaths. The members and the executive officer of each board, agency, bureau, division, or commission have power to administer oaths and affirmations in the performance of any business of the board, and to certify to official acts.

159.5. Division of Investigation. There is in the department the Division of Investigation. The division is in charge of a person with the title of chief of the division.

Except as provided in Section 16 of Chapter 1394 of the Statutes of 1970, all positions for the personnel necessary to provide investigative services, as specified in Section 160 of this code and in subdivision (b) of Section 830.3 of the Penal Code, to the agencies in the department shall be in the division and the personnel shall be appointed by the director. However, if, pursuant to the Governor's Reorganization Plan No. 2 of the 1970 Regular Session, any agency has any investigative, inspectional, or auditing positions of its own, the agency shall retain those positions until the director determines, after consultation with, and consideration of, the views of the particular agency concerned, that the positions should be transferred to the division in the interests of efficient, economical, and effective service to the public, at which time they shall be so transferred.

160. Authority of Investigators. The Chief and all investigators of the Division of Investigation of the department and all investigators of the Medical Board of California and the Board of Dental Examiners have the authority of peace officers while engaged in exercising the powers granted or performing the duties imposed upon them or the division in investigating the laws administered by the various boards comprising the department or commencing directly or indirectly any criminal prosecution arising from any investigation conducted under these laws. All persons herein referred to shall be deemed to be acting within the scope of employment with respect to all acts and matters in this section set forth.

161. Sale of Copies of Records. The department, or any board in the department, may sell copies of any part of its respective public records, or compilations, extracts, or summaries of information contained in its public records, at a charge sufficient to pay the actual cost thereof. Such charge, and the conditions under which sales may be made, shall be determined by the director with the approval of the Department of General Services.

162. Certificate as Evidence. The certificate of the officer in charge of the records of any board in the department that any person was or was not on a specified date, or during a specified period of time, licensed, certified or registered under the provisions of law administered by the board, or that the license, certificate or registration of any person was revoked or under suspension, shall be admitted in any court as prima facie evidence of the facts therein recited.

163. Certification of Records Fee. Except as otherwise expressly provided by law, the department and each board in the department shall charge a fee of two dollars ($2) for the certification of a copy of any record, document, or paper in its custody or for the certification of any document evidencing the content of any such record, document or paper.

163.5. Delinquency and Reinstatement Fees. Except as otherwise provided by law, the delinquency, penalty, or late fee for any licensee within the Department of Consumer Affairs shall be 50 percent of the renewal fee for such license in effect on the date of the renewal of the license, but not less than twenty-five dollars ($25) nor more than one hundred fifty dollars ($150).

A delinquency, penalty, or late fee shall not be assessed until 30 days have elapsed from the date that the licensing agency mailed a notice of renewal to the licensee at the licensee's last
known address of record. The notice shall specify the date for timely renewal, and that failure to renew in a timely fashion shall result in the assessment of a delinquency, penalty, or late fee.

In the event a reinstatement or like fee is charged for the reinstatement of a license, the reinstatement fee shall be 150 percent of the renewal fee for such license in effect on the date of the reinstatement of the license, but not more than twenty-five dollars ($25) in excess of the renewal fee, except that in the event that such a fee is fixed by statute at less than 150 percent of the renewal fee and less than the renewal fee plus twenty-five dollars ($25), the fee so fixed shall be charged.

5. Whether the board operates and enforces its regulatory responsibilities in the public interest and whether its regulatory mission is impeded or enhanced by existing statutes, regulations, policies, practices, or any other circumstances, including budgetary, resource, and personnel matters.
6. Whether an analysis of board operations indicates that the board performs its statutory duties efficiently and effectively.
7. Whether the composition of the board adequately represents the public interest and whether the board encourages public participation in its decisions rather than participation only by the industry and individuals it regulates.
8. Whether the board and its laws or regulations stimulate or restrict competition, and the extent of the economic impact the board's regulatory practices have on the state's business and technological growth.
9. Whether complaint, investigation, powers to intervene, and disciplinary procedures adequately protect the public and whether final dispositions of complaints, investigations, restraining orders, and disciplinary actions are in the public interest; or if it is, instead, self-serving to the profession, industry or individuals being regulated by the board.
10. Whether the scope of practice of the regulated profession or occupation contributes to the highest utilization of personnel and whether entry requirements encourage affirmative action.

The committee shall then meet to vote on final recommendations. A final report shall be completed by the committee and made available to the public and the Legislature. The report shall include final recommendations of the department and the committee and whether each board or function scheduled for repeal shall be terminated, continued, or reestablished, and whether its
functions should be revised. If the committee or the department deems it advisable, the report may include proposed bills to carry out its recommendations.

(b) As used in this division, “material” includes a statement or omission substantially related to the qualifications, functions, or duties of the business or profession.

Division 1.5. Denial, Suspension and Revocation of Licenses.

Chapter 2. Denial of Licenses.
480. **Acts of Disqualification.** (a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:
(1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action which a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

(2) Done any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or another, or substantially injure another; or

(3) Done any act which if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions or duties of the business or profession for which application is made.

(b) Notwithstanding any other provision of this code, no person shall be denied a license solely on the basis that he has been convicted of a felony if he has obtained a certificate of rehabilitation under Section 4852.01 and following of the Penal Code or that he has been convicted of a misdemeanor if he has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.

(c) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for such license.

481. Criteria; Crime or Act Substantially Related to Qualifications, Functions, or Duties.

Each board under the provisions of this code shall develop criteria to aid it, when considering the denial, suspension or revocation of a license, to determine whether a crime or act is substantially related to the qualifications, functions, or duties of the business or profession it regulates.

482. Evaluation of Rehabilitation.

Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:

(a) Considering the denial of a license by the board under Section 480; or

(b) Considering suspension or revocation of a license under Section 490.

Each board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee.

484. Attestation by Other Persons to Good Moral Character.

No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

485. Requirements of Board upon Denial.

Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant’s right to a hearing is deemed waived.

Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the
applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

486. Reapplication. Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:
(a) The earliest date on which the applicant may reapply for a license which shall be one year from the effective date of the decision, or service of the notice under subdivision (b) of Section 485, unless the board prescribe an earlier date or a later date is prescribed by another statute.
(b) That all competent evidence of rehabilitation presented will be considered upon a reapplication.
Along with the decision, or the notice under subdivision (b) of Section 485, the board shall serve a copy of the criteria relating to rehabilitation formulated under Section 482.

487. Hearing. If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

488. Actions by Board. Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the board may take any of the following actions:
(a) Grant the license effective upon completion of all licensing requirements by the applicant.
(b) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.
(c) Deny the license.
(d) Take other action in relation to denying or granting the license as the board in its discretion may deem proper.

489. Denial for Lack of Good Character. Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

Division 1.5. Denial, Suspension and Revocation of Licenses,
Chapter 3. Suspension and Revocation of Licenses

490. Conviction of Crime Related to Licensed Activity. A board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action which a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an
order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

490.5. Noncompliance With Support Order. A board may suspend a license pursuant to Section 11350.6 of the Welfare and Institutions Code if a licensee is not in compliance with a child support order or judgment.

491. Information upon Suspension or Revocation. Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:
(a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.
(b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

492. Drug Diversion Program; Completion of. Notwithstanding any other provision of law, successful completion of any diversion program under the Penal Code, or successful completion of an alcohol and drug problem assessment program under Article 5 (commencing with Section 23249.50) of Chapter 12 of Division 11 of the Vehicle Code, shall not prohibit any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division, from taking disciplinary action against a licensee or from denying a license for professional misconduct, notwithstanding that evidence of that misconduct may be recorded in a record pertaining to an arrest.

This section shall not be construed to apply to any drug diversion program operated by any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division.

493. Record of Convictions Related to Qualifications, Functions and Duties of Licensees. Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, “license” includes “certificate,” “permit,” “authority,” and “registration.”

494. Interim Order; Notice; Hearing; Decision; Judicial Review; Noncompliance. (a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:
(1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.
(2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.
(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days’ notice of the hearing on the petition for an interim order. The notice shall include documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:
   (1) Be represented by counsel.
   (2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.
   (3) Present affidavits and other documentary evidence.
   (4) Present oral argument.

(e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licentiate files a Notice of Defense, the hearing shall be held within 30 days of the agency’s receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter. Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board abused its discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board. If the administrative law judge issues an interim order without notice, he or she shall preside at the noticed hearing, unless unavailable, in which case another administrative law judge may hear the matter. The decision of the
administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licentiate, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f). Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation. Violation of the interim order is established upon proof that the licentiate was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licentiate from his or her business or profession, and the licentiate violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licentiate and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) “Board,” as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

Division 1.5. Denial, Suspension and Revocation of Licenses, Chapter 4. Public Reprovals.

495. Public Reproval Notwithstanding any other provision of law, any entity authorized to issue a license or certificate pursuant to this code may publicly reprove a licentiate or certificate holder thereof, for any act that would constitute grounds to suspend or revoke a license or certificate. Any proceedings for public reproval, public reproval and suspension, or public reproval and revocation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or, in the case of a licensee or certificate holder under the jurisdiction of the State Department of Health Services, in accordance with Section 100171 of the Health and Safety Code.

Division 1.5. Denial, Suspension and Revocation of Licenses, Chapter 5. Examination Security.

496. Denial, Suspension or Revocation of License for Examination Subversion. A board may deny, suspend, revoke, or otherwise restrict a license on the ground that an applicant or licensee has violated Section 123 pertaining to subversion of licensing examinations.
498. **License Secured by Fraud, Deceit or Knowing Misrepresentation.** A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee secured the license by fraud, deceit, or knowing misrepresentation of a material fact or by knowingly omitting to state a material fact.

499. **False Statement in Support of Another Person’s Application.** A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee, in support of another person’s application for license, knowingly made a false statement of a material fact or knowingly omitted to state a material fact to the board regarding the application.

Title 1. General, Division 7. Miscellaneous,
(California Public Records Act)

6250. Legislative Findings. In enacting this chapter, the Legislature, mindful of the right of individuals to privacy, finds and declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state.

6251. California Public Records Act. This chapter shall be known and may be cited as the California Public Records Act.

6252. Definitions. As used in this chapter:
(a) "State agency" means every state office, officer, department, division, bureau, board, and commission or other state body or agency, except those agencies provided for in Article IV (except Section 20 thereof) or Article VI of the California Constitution.
(b) "Local agency" includes a county; city, whether general law or chartered; city and county; school district; municipal corporation; district; political subdivision; or any board, commission or
agency thereof; other local public agency; or nonprofit entities that are legislative bodies of a local agency pursuant to subdivisions (c) and (d) of Section 54952.

(c) "Person" includes any natural person, corporation, partnership, limited liability company, firm, or association.

(d) "Public agency" means any state or local agency.

(e) "Public records" includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. "Public records" in the custody of, or maintained by, the Governor's office means any writing prepared on or after January 6, 1975.

(f) "Writing" means any handwriting, typewriting, printing, photostating, photographing, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored.

(g) "Member of the public" means any person, except a member, agent, officer, or employee of a federal, state, or local agency acting within the scope of his or her membership, agency, office, or employment.

6253. Accessibility to Records. (a) Public records are open to inspection at all times during the office hours of the state or local agency and every person has a right to inspect any public record except as hereafter provided. Any reasonably segregable portion of a record shall be available for inspection by any person requesting the record after deletion of the portions that are exempted by law.

(b) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so.

(c) Each agency, upon a request for a copy of records, shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No notice shall specify a date that would result in an extension for more than 14 days. When the agency dispatches the determination, and if the agency determines that the request seeks disclosable public records, the agency shall state the estimated date and time when the records will be made available. As used in this section, "unusual circumstances" means the following, but only to the extent reasonably necessary to the proper processing of the particular request:

1. The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.

3. The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

4. The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

(d) Nothing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The notification of denial of any request for records
required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.

(e) Except as otherwise prohibited by law, a state or local agency may adopt requirements for itself that allow for faster, more efficient, or greater access to records than prescribed by the minimum standards set forth in this chapter.

6253.1. Duties of the Public Agency. (a) When a member of the public requests to inspect a public record or obtain a copy of a public record, the public agency, in order to assist the member of the public make a focused and effective request that reasonably describes an identifiable record or records, shall do all of the following, to the extent reasonable under the circumstances:

(1) Assist the member of the public to identify records and information that are responsive to the request or to the purpose of the request, if stated.
(2) Describe the information technology and physical location in which the records exist.
(3) Provide suggestions for overcoming any practical basis for denying access to the records or information sought.

(b) The requirements of paragraph (1) of subdivision (a) shall be deemed to have been satisfied if the public agency is unable to identify the requested information after making a reasonable effort to elicit additional clarifying information from the requester that will help identify the record or records.

(c) The requirements of subdivision (a) are in addition to any action required or a public agency by Section 6253.

(d) This section shall not apply to a request for public records if any of the following applies:
(1) The public agency makes available the requested records pursuant to Section 6253.
(2) The public agency determines that the request should be denied and bases that determination solely on an exemption listed in Section 6254.
(3) The public agency makes available an index of its records.

6253.4. Adoption of Regulations. (a) Every agency may adopt regulations stating the procedures to be followed when making its records available in accordance with this section. The following state and local bodies shall establish written guidelines for accessibility of records. A copy of these guidelines shall be posted in a conspicuous public place at the offices of these bodies, and a copy of the guidelines shall be available upon request free of charge to any person requesting that body’s records:

Department of Motor Vehicles
Department of Consumer Affairs
Department of Transportation
Department of Real Estate
Department of Corrections
Department of the Youth Authority
Department of Justice
Department of Insurance
Department of Corporations
Department of Managed Health Care
Secretary of State
State Air Resources Board
Department of Water Resources
Department of Parks and Recreation
San Francisco Bay Conservation and Development Commission
State Board of Equalization
State Department of Health Services

79
(b) Guidelines and regulations adopted pursuant to this section shall be consistent with all other sections of this chapter and shall reflect the intention of the Legislature to make the records accessible to the public. The guidelines and regulations adopted pursuant to this section shall not operate to limit the hours public records are open for inspection as prescribed in Section 6253.

6253.9. Electronic Format. (a) Unless otherwise prohibited by law, any agency that has information that constitutes an identifiable public record not exempt from disclosure pursuant to this chapter that is in an electronic format shall make that information available in an electronic format when requested by any person and, when applicable, shall comply with the following:

(1) The agency shall make the information available in any electronic format in which it holds the information.

(2) Each agency shall provide a copy of an electronic record in the format requested if the requested format is one that has been used by the agency to create copies for its own use or for provision to other agencies. The cost of duplication shall be limited to the direct cost of producing a copy of a record in an electronic format.

(b) Notwithstanding paragraph (2) of subdivision (a), the requester shall bear the cost of producing a copy of the record, including the cost to construct a record, and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies:

(1) In order to comply with the provisions of subdivision (a), the public agency would be required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals.

(2) The request would require data compilation, extraction, or programming to produce the record.

(c) Nothing in this section shall be construed to require the public agency to reconstruct a record in an electronic format if the agency no longer has the record available in an electronic format.
(d) If the request is for information in other than electronic format, and the information also is in electronic format, the agency may inform the requester that the information is available in electronic format.

(e) Nothing in this section shall be construed to permit an agency to make information available only in an electronic format.

(f) Nothing in this section shall be construed to require the public agency to release an electronic record in the electronic form in which it is held by the agency if its release would jeopardize or compromise the security or integrity of the original record or of any proprietary software in which it is maintained.

(g) Nothing in this section shall be construed to permit public access to records held by any agency to which access is otherwise restricted by statute.

6254. Exceptions. Except as provided in Sections 6254.7 and 6254.13, nothing in this chapter shall be construed to require disclosure of records that are any of the following:

(a) Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, provided that the public interest in withholding those records clearly outweighs the public interest in disclosure.

(b) Records pertaining to pending litigation to which the public agency is a party, or to claims made pursuant to Division 3.6 (commencing with Section 810), until the pending litigation or claim has been finally adjudicated or otherwise settled.

(c) Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

(d) Contained in or related to any of the following:
   (1) Applications filed with any state agency responsible for the regulation or supervision of the issuance of securities or of financial institutions, including, but not limited to, banks, savings and loan associations, industrial loan companies, credit unions, and insurance companies.

However, nothing in this
division shall require the disclosure of that portion of those investigative files that reflect the
analysis or conclusions of the investigating officer.

Notwithstanding any other provision of this subdivision, state and local law enforcement
agencies shall make public the following information, except to the extent that disclosure of a
particular item of information would endanger the safety of a person involved in an investigation
or would endanger the successful completion of the investigation or a related investigation:

Other provisions of this subdivision notwithstanding, state and local law enforcement
agencies shall make public the following information, except to the extent that disclosure of a particular
item of information would endanger the safety of a person involved in an investigation or would
endanger the successful completion of the investigation or a related investigation:

(1) The full name and occupation of every individual arrested by the agency, the individual's
physical description including date of birth, color of eyes and hair, sex, height and weight, the
time and date of arrest, the time and date of booking, the location of the arrest, the factual
circumstances surrounding the arrest, the amount of bail set, the time and manner of release or

held upon, including any outstanding warrants from other jurisdictions and parole or probation
holds.

(2) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the time,

crimes alleged or committed or any other incident investigated is recorded, the time, date, and
location of occurrence, the time and date of the report, the name and age of the victim, the
factual circumstances surrounding the crime or incident, and a general description of any
injuries, property, or weapons involved. The name of a victim of any crime defined by Section

victim's parent or guardian if the victim is a minor. When a person is the victim of more than one
crime, information disclosing that the person is a victim of a crime defined by Section 220, 261,
261.5, 262, 264, 264.1, 273a, 273d, 286, 288, 288a, 289, 422.6, 422.7, 422.75, or 646.9 of the
Penal Code may be deleted at the request of the victim, or the victim's parent or guardian if the
victim is a minor, in making the report of the crime, or of any crime or incident accompanying
the crime, available to the public in compliance with the requirements of this paragraph.

(3) Subject to the restrictions of Section 841.5 of the Penal Code and this subdivision, the
current address of every individual arrested by the agency and the current address of the victim
of a crime, where the requester declares under penalty of perjury that the request is made for a
scholarly, journalistic, political, or governmental purpose, or that the request is made for
investigation purposes by a licensed private investigator as described in Chapter 11.3
(commencing with Section 7512) of Division 3 of the Business and Professions Code, except
that the address of the victim of any crime defined by Section 220, 261, 261.5, 262, 264, 264.1,
273a, 273d, 273.5, 286, 288, 288a, 289, 422.6, 422.7, 422.75, or 646.9 of the Penal Code shall
remain confidential. Address information obtained pursuant to this paragraph shall not be used
directly or indirectly to sell a product or service to any individual or group of individuals, and the
requester shall execute a declaration to that effect under penalty of perjury.

(h) The contents of real estate appraisals or engineering or feasibility estimates and
evaluations made for or by the state or local agency relative to the acquisition of property, or to

or all of the contract agreement obtained. However, the law of eminent domain shall not be
affected by this provision.
(i) Information required from any taxpayer in connection with the collection of local taxes that is received in confidence and the disclosure of the information to other persons would result in unfair competitive disadvantage to the person supplying the information.

The exemption in this subdivision shall not apply to records of fines imposed on the borrowers.

(l) Correspondence of and to the Governor or employees of the Governor's office or in the custody of or maintained by the Governor's legal affairs secretary, provided that public records shall not be transferred to the custody of the Governor's legal affairs secretary to evade the disclosure provisions of this chapter.

(m) In the custody of or maintained by the Legislative Counsel, except those records in the public data base maintained by the Legislative Counsel that are described in Section 10248.

(n) Statements of personal worth or personal financial data required by a licensing agency and filed by an applicant with the licensing agency to establish his or her personal qualification for the license, certificate, or permit applied for.

(o) Financial data contained in applications for financing under Division 27 (commencing with Section 44500) of the Health and Safety Code, where an authorized officer of the California Pollution Control Financing Authority determines that disclosure of the financial data would be competitively injurious to the applicant and the data is required in order to obtain guarantees from the United States Small Business Administration. Except for the portion of a contract containing the rates of payment, contracts for inpatient services entered into pursuant to these articles, on or after April 1, 1984, shall be open to inspection one year after they are fully executed. In the event that a contract for inpatient services that is entered into prior to April 1, 1984, is amended on or after April 1, 1984, the amendment, except for any portion containing the rates of payment, shall be open to inspection one year after it is fully executed. If the California Medical Assistance Commission enters into contracts with health care providers for other than inpatient hospital services, those contracts shall be open to inspection one year after they are fully executed.
Three years after a contract or amendment is open to inspection under this subdivision, the portion of the contract or amendment containing the rates of payment shall be open to inspection.

law.
Nothing in this section prevents any health facility from disclosing to a certified bargaining agent relevant financing information pursuant to Section 8 of the National Labor Relations Act.

6254.25. Pending Litigation. 6254.5. Waiver of Exemptions. Notwithstanding any other provisions of the law, whenever a state or local agency discloses a public record which is otherwise exempt from this chapter, to any member of the public, this disclosure shall constitute a waiver of the exemptions specified in Sections 6254, 6254.7, or other similar provisions of law. For purposes of this section, "agency" includes a member, agent, officer, or employee of the agency acting within the scope of his or her membership, agency, office, or employment.
This section, however, shall not apply to disclosures:
(a) Made pursuant to the Information Practices Act (commencing with Section 1798 of the Civil Code) or discovery proceedings.
(b) Made through other legal proceedings or as otherwise required by law.
(c) Within the scope of disclosure of a statute which limits disclosure of specified writings to certain purposes.
(d) Not required by law, and prohibited by formal action of an elected legislative body of the local agency which retains the writings.
(e) Made to any governmental agency which agrees to treat the disclosed material as confidential. Only persons authorized in writing by the person in charge of the agency shall be permitted to obtain the information. Any information obtained by the agency shall only be used for purposes which are consistent with existing law.
(f) Of records relating to a financial institution or an affiliate thereof, if the disclosures are made to the financial institution or affiliate by a state agency responsible for the regulation or supervision of the financial institution or affiliate.

(h) Made by the Commissioner of Financial Institutions under Section 1909, 8009, or 18396 of the Financial Code.

(i) Of records relating to any person that is subject to the jurisdiction of the Department of Managed Health Care, if the disclosures are made to the person that is the subject of the records for the purpose of corrective action by that person, or if a corporation, to an officer, director, or other key personnel of the corporation for the purpose of corrective action, or to any other person to the extent necessary to obtain information from that person for the purpose of an investigation by the Department of Managed Health Care.

6254.8. Employment Contracts. Every employment contract between a state or local agency and any public official or public employee is a public record which is not subject to the provisions of Sections 6254 and 6255.

6254.9. Computer Software. (a) Computer software developed by a state or local agency is not itself a public record under this chapter. The agency may sell, lease, or license the software for commercial or noncommercial use.

(b) As used in this section, "computer software" includes computer mapping systems, computer programs, and computer graphics systems.

(c) This section shall not be construed to create an implied warranty on the part of the State of California or any local agency for errors, omissions, or other defects in any computer software as provided pursuant to this section.

(d) Nothing in this section is intended to affect the public record status of information merely because it is stored in a computer. Public records stored in a computer shall be disclosed as required by this chapter.

(e) Nothing in this section is intended to limit any copyright protections.

6255. General Exception. (a) The agency shall justify withholding any record by demonstrating that the record in question is exempt under express provisions of this chapter or that on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record.

(b) A response to a written request for inspection or copies of public records that includes a determination that the request is denied, in whole or in part, shall be in writing.

6257.5. Limitations on Access. This chapter does not allow limitations on access to a public record based upon the purpose for which the record is being requested, if the record is otherwise subject to disclosure.

6258. Injunctive Relief. Any person may institute proceedings for injunctive or declarative relief or writ of mandate in any court of competent jurisdiction to enforce his or her right to inspect or to receive a copy of any public record or class of public records under this chapter. The times for responsive pleadings and for hearings in these proceedings shall be set by the judge of the court with the object of securing a decision as to these matters at the earliest possible time.

6259. Court Proceedings. (a) Whenever it is made to appear by verified petition to the superior court of the county where the records or some part thereof are situated that certain
public records are being improperly withheld from a member of the public, the court shall order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The court shall decide the case after examining the record in camera, if permitted by subdivision (b) of Section 915 of the Evidence Code, papers filed by the parties and any oral argument and additional evidence as the court may allow.

(b) If the court finds that the public official’s decision to refuse disclosure is not justified under Section 6254 or 6255, he or she shall order the public official to make the record public. If the judge determines that the public official was justified in refusing to make the record public, he or she shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure.

(c) In an action filed on or after January 1, 1991, an order of the court, either directing disclosure by a public official or supporting the decision of the public official refusing disclosure, is not a final judgment or order within the meaning of Section 904.1of the Code of Civil Procedure from which an appeal may be taken, but shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ. Upon entry of any order pursuant to this section, a party shall, in order to obtain review of the order, file a petition within 20 days after service upon him or her of a written notice of entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow. If the notice is served by mail, the period within which to file the petition shall be increased by five days. A stay of an order or judgment shall not be granted unless the petitioning party demonstrates it will otherwise sustain irreparable damage and probable success on the merits. Any person who fails to obey the order of the court shall be cited to show cause why he or she is not in contempt of court.

(d) The court shall award court costs and reasonable attorney fees to the plaintiff should the plaintiff prevail in litigation filed pursuant to this section. The costs and fees shall be paid by the public agency of which the public official is a member or employee and shall not become a personal liability of the public official. If the court finds that the plaintiff’s case is clearly frivolous, it shall award court costs and reasonable attorney fees to the public agency.

6260. Effect on Judicial Records. The provisions of this chapter shall not be deemed in any manner to affect the status of judicial records as it existed immediately prior to the effective date of this section, nor to affect the rights of litigants, including parties to administrative proceedings, under the laws of discovery of this state, nor to limit or impair any rights of discovery in a criminal case.

6262. Access to Records-District Attorney. The exemption of records of complaints to, or investigations conducted by, any state or local agency for licensing purposes under subdivision (f) of Section 6254 shall not apply when a request for inspection of such records is made by a district attorney.

6263. Inspection and Copies-District Attorney. A state or local agency shall allow an inspection or copying of any public record or class of public records not exempted by this chapter when requested by a district attorney.

6264. Petition to Inspect-District Attorney. The district attorney may petition a court of competent jurisdiction to require a state or local agency to allow him to inspect or receive a copy of any public record or class of public records not exempted by this chapter when the agency fails or refuses to allow inspection or copying within 10 working days of a request. The court may require a public agency to permit inspection or copying by the district attorney unless the
public interest or good cause in withholding such records clearly outweighs the public interest in disclosure.

6265. Status Not Changed by Disclosure. Disclosure of records to a district attorney under the provisions of this chapter shall effect no change in the status of the records under any other provision of law.

8558. Degrees of Emergency. Three conditions or degrees of emergency are established by this chapter:
   (a) “State of war emergency” means the condition which exists immediately, with or without a proclamation thereof by the Governor, whenever this state or nation is attacked by an enemy of the United States, or upon receipt by the state of a warning from the federal government indicating that such an enemy attack is probable or imminent.
   (b) “State of emergency” means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor’s warning of an earthquake or volcanic prediction, or an earthquake, complications resulting from the Year 2000 Problem, or other conditions, other than conditions resulting from a labor controversy or conditions causing a “state of war emergency,” which, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single county, city and county, or city and require the combined forces of a mutual aid region or regions to combat, or with respect to regulated energy utilities, a sudden and severe energy shortage requires extraordinary measures beyond the authority vested in the California Public Utilities Commission.
   (c) “Local emergency” means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, city and county, or city, caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor’s warning of an earthquake or volcanic prediction, or an earthquake, complications resulting from the Year 2000 Problem, or other conditions, other than conditions resulting from a labor controversy, which are or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat, or with respect to regulated energy utilities, a sudden and severe energy shortage requires extraordinary measures beyond the authority vested in the California Public Utilities Commission.

8625. Proclamation by Governor. The Governor is hereby empowered to proclaim a state of emergency in an area affected or likely to be affected thereby when:
   (a) He finds that circumstances described in subdivision (b) of Section 8558 exist; and either
(b) He is requested to do so (1) in the case of a city by the mayor or chief executive, (2) in the case of a county by the chairman of the board of supervisors or the county administrative officer; or
(c) He finds that local authority is inadequate to cope with the emergency.

Title 2. Government of the State of California, Division 3. Executive Department, Part 1. State Departments and Agencies, Chapter 1. State Agencies, Article 9. Meetings. (Bagley-Keene Open Meeting Act)

11120. Legislative Intent. It is the public policy of this state that public agencies exist to aid in the conduct of the people’s business and the proceedings of public agencies be conducted openly so that the public may remain informed.
In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.
The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.
This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

11121. “State Body” Defined. As used in this article "state body" means each of the following:
(a) Every state board, or commission, or similar multimember body of the state that is created by statute or required by law to conduct official meetings and every commission created by executive order.

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(2) For the purposes of this subdivision, "teleconference" means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video.

11123.1. Conforming with Americans With Disabilities Act. All meetings of a state body that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

11124.1. Right to Record. (a) Any person attending an open and public meeting of the state body shall have the right to record the proceedings with an audio or video tape recorder or a still or motion picture camera in the absence of a reasonable finding by the state body that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any tape or film record of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but may be erased or destroyed 30 days after the taping or recording. Any inspection of an audio or video tape recording shall be provided without charge on an audio or video tape player made available by the state body.

(c) No state body shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.

11125. Notice of Meeting. (a) The state body shall provide notice of its meeting to any person who requests that notice in writing. Notice shall be given and also made available on the Internet at least 10 days in advance of the meeting, and shall include the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. The written notice shall additionally include the address of the Internet site where notices required by this article are made available.

(b) The notice of a meeting of a body that is a state body shall include a specific agenda for the meeting, containing a brief description of the items of business to be transacted or discussed in either open or closed session. A brief general description of an item generally need not exceed 20 words. A description of an item to be transacted or discussed in closed session shall include a citation of the specific statutory authority under which a closed session is being held. No item shall be added to the agenda subsequent to the provisions of this notice, unless otherwise permitted by this article.
(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body’s meeting is announced during the open and public state body's meeting, and provided that the advisory body’s meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body’s discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

11125.1. Agendas and Supporting Documentation. (a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are distributed to members of the state body by board staff or individual members prior to or during a meeting shall be:

1. Made available for public inspection at that meeting.
2. Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named tax or fee payer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

1. Made available for public inspection at that meeting.
2. Distributed to all persons who request or have requested copies of these writings.
(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132) and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public’s right to inspect any record required to be disclosed by that act, or to limit the public’s right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) “Writing” for purposes of this section means “writing” as defined under Section 6252.

11125.2. Closed Session Action Reported. Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

11125.3. Adding Items to an Agenda. (a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

1. Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

2. Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

11125.4. Special Meeting. (a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes where compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

1. To consider "pending litigation" as that term is defined in subdivision (q) of Section 11126.

2. To consider proposed legislation.

3. To consider issuance of a legal opinion.

4. To consider disciplinary action involving a state officer or employee.

5. To consider the purchase, sale, exchange, or lease of real property.

6. To consider license examinations and applications.

7. To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.
(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

11125.5. Emergency Meeting. (a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, "emergency situation" means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

1. Work stoppage or other activity that severely impairs public health or safety, or both.
2. Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the rollcall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.
11125.7. Public Comment. (a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public, provided, however, that no action is taken by the state body at the same meeting on matters brought before the body by members of the public.  
  
(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.  
  
(c) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.  
  
(d) This section is not applicable to closed sessions held pursuant to Section 11126.  
  
(e) This section is not applicable to decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.  
  
(f) This section is not applicable to hearings conducted by the State Board of Control pursuant to Sections 13963 and 13963.1.  
  
(g) This section is not applicable to agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

11126. Closed Sessions. (a) (1) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing.  
  
(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void.  
  
(3) The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body.  
  
(4) Following the public hearing or closed session, the body may deliberate on the decision to be reached in a closed session.  
  
(b) For the purposes of this section, "employee" shall not include any person who is elected to, or appointed to a public office by, any state body. However, officers of the California State
University who receive compensation for their services, other than per diem and ordinary and necessary expenses, shall, when engaged in that capacity, be considered employees. Furthermore, for purposes of this section, the term employee shall include a person exempt from civil service pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution.

(c) Nothing in this article shall be construed to do any of the following:

1. Prevent state bodies that administer the licensing of persons engaging in businesses or professions from holding closed sessions to prepare, approve, grade, or administer examinations.

2. Prevent an advisory body of a state body that administers the licensing of persons engaged in businesses or professions from conducting a closed session to discuss matters that the advisory body has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, provided the advisory body does not include a quorum of the members of the state body it advises. Those matters may include review of an applicant’s qualifications for licensure and an inquiry specifically related to the state body’s enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

3. Prohibit a state body from holding a closed session to deliberate on a decision to be reached in a proceeding required to be conducted pursuant to Chapter 5 commencing with Section 11500) of Part 1 of Division 3 of Title 2 or similar provisions of law.

4. Grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

5. Prevent any closed session to consider the conferring of honorary degrees, or gifts, donations, and bequests that the donor or proposed donor has requested in writing to be kept confidential.

6. Prevent the Alcoholic Beverage Control Appeals Board from holding a closed session for the purpose of holding a deliberative conference as provided in Section 11125.

7. (A) Prevent a state body from holding closed sessions with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the state body to give instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

(B) However, prior to the closed session, the state body shall hold an open and public session in which it identifies the real property or real properties that the negotiations may concern and the person or persons with whom its negotiator may negotiate.

(C) For purposes of this paragraph, the negotiator may be a member of the state body.

(D) For purposes of this paragraph, "lease" includes renewal or renegotiation of a lease.

(E) Nothing in this paragraph shall preclude a state body from holding a closed session for discussions regarding eminent domain proceedings pursuant to subdivision (e).

8. Prevent the California Postsecondary Education Commission from holding closed sessions to consider matters pertaining to the appointment or termination of the Director of the California Postsecondary Education Commission.

9. Prevent the Council for Private Postsecondary and Vocational Education from holding closed sessions to consider matters pertaining to the appointment or termination of the Executive Director of the Council for Private Postsecondary and Vocational Education.

10. Prevent the Franchise Tax Board from holding closed sessions for the purpose of discussion of confidential tax returns or information the public disclosure of which is prohibited
by law, or from considering matters pertaining to the appointment or removal of the Executive Officer of the Franchise Tax Board.

(11) Require the Franchise Tax Board to notice or disclose any confidential tax information considered in closed sessions, or documents executed in connection therewith, the public disclosure of which is prohibited pursuant to Article 2 (commencing with Section 19542) of Chapter 7 of Part 10.2 of the Revenue and Taxation Code.

(12) Prevent the Board of Corrections from holding closed sessions when considering reports of crime conditions under Section 6027 of the Penal Code.

(13) Prevent the State Air Resources Board from holding closed sessions when considering the proprietary specifications and performance data of manufacturers.

(14) Prevent the State Board of Education or the Superintendent of Public Instruction, or any committee advising the board or the superintendent, from holding closed sessions on those portions of its review of assessment instruments pursuant to Chapter 5 (commencing with Section 60600) of, or pursuant to Chapter 8 (commencing with Section 60850) of, Part 33 of the Education Code during which actual test content is reviewed and discussed. The purpose of this provision is to maintain the confidentiality of the assessments under review.

(15) Prevent the California Integrated Waste Management Board or its auxiliary committees from holding closed sessions for the purpose of discussing confidential tax returns, discussing trade secrets or confidential or proprietary information in its possession, or discussing other data, the public disclosure of which is prohibited by law.

(16) Prevent a state body that invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues that could have a material effect on the net income of the corporation. For the purpose of real property investment decisions that may be considered in a closed session pursuant to this paragraph, a state body shall also be exempt from the provisions of paragraph (7) relating to the identification of real properties prior to the closed session.

(17) Prevent a state body, or boards, commissions, administrative officers, or other representatives that may properly be designated by law or by a state body, from holding closed sessions with its representatives in discharging its responsibilities under Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 as the sessions relate to salaries, salary schedules, or compensation paid in the form of fringe benefits. For the purposes enumerated in the preceding sentence, a state body may also meet with a state conciliator who has intervened in the proceedings.

(18)(A) Prevent a state body from holding closed sessions to consider matters posing a threat or potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body, where disclosure of these considerations could compromise or impede the safety or security of the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body.

(D) After meeting in closed session pursuant to subparagraph (A), the state body shall submit to the Legislative Analyst written notification stating that it held this closed session, the general reason or reasons for the closed session, the general nature of the matters considered, and whether any action was taken in closed session. The Legislative Analyst shall retain for no less than four years any written notification received from a state body pursuant to this subparagraph.

(d) (1) Notwithstanding any other provision of law, any meeting of the Public Utilities Commission at which the rates of entities under the commission’s jurisdiction are changed shall be open and public.

(2) Nothing in this article shall be construed to prevent the Public Utilities Commission from holding closed sessions to deliberate on the institution of proceedings, or disciplinary actions against any person or entity under the jurisdiction of the commission.

(e) (1) Nothing in this article shall be construed to prevent a state body, based on the advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation.

(2) For purposes of this article, all expressions of the lawyer-client privilege other than those provided in this subdivision are hereby abrogated. This subdivision is the exclusive expression of the lawyer-client privilege for purposes of conducting closed session meetings pursuant to this article. (C) (i) Based on existing facts and circumstances, the state body has decided to initiate or is deciding whether to initiate litigation.

(ii) The legal counsel of the state body shall prepare and submit to it a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is pursuant to paragraph (1), the memorandum shall include the title of the litigation. If the closed session is pursuant to subparagraph (A) or (B), the memorandum shall include the existing facts and circumstances on which it is based. The legal counsel shall submit the memorandum to the state body prior to the closed session, if feasible, and in any case no later than one week after the closed session. The memorandum shall be exempt from disclosure pursuant to Section 6254.25.

(iii) For purposes of this subdivision, “litigation” includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(2) Prevent the examining committee established by the State Board of Forestry and Fire Protection, pursuant to Section 763 of the Public Resources Code, from conducting a closed session to consider individual professional forester prior to the filing of an accusation against the forester pursuant to Section 11503.

(3) Prevent an administrative committee established by the California Board of Accountancy pursuant to Section 5020 of the Business and Professions Code from conducting a closed session to consider disciplinary action against an individual accountant prior to the filing of an accusation against the accountant pursuant to Section 11503. Nothing in this article shall be construed to prevent an examining committee established by the California Board of Accountancy pursuant to Section 5023 of the Business and Professions Code from conducting a closed hearing to interview an individual applicant or accountant regarding the applicant's qualifications.

(4) Prevent a state body, as defined in Section 11121.2, from conducting a closed session to consider any matter that properly could be considered in closed session by the state body whose authority it exercises.

(5) Prevent a state body, as defined in Section 11121.7, from conducting a closed session to consider any matter that properly could be considered in a closed session by the body defined as a state body pursuant to Section 11121 or 11121.2.

(6) Prevent a state body, as defined in Section 11121.8, from conducting a closed session to consider any matter that properly could be considered in a closed session by the state body it advises.

(7) Prevent the State Board of Equalization from holding closed sessions for either of the following:

(A) When considering matters pertaining to the appointment or removal of the Executive Secretary of the State Board of Equalization.

(B) For the purpose of hearing confidential taxpayer appeals or data, the public disclosure of which is prohibited by law.

(8) Require the State Board of Equalization to disclose any action taken in closed session or documents executed in connection with that action, the public disclosure of which is prohibited by law pursuant to Sections 15619 and 15641 of this code and Sections 833, 7056, 8255, 9255, 11655, 30455, 32455, 38705, 38706, 43651, 45982, 46751, 50159, 55381, and 60609 of the Revenue and Taxation Code.

(9) Prevent the California Earthquake Prediction Evaluation Council, or other body appointed to advise the Director of the Office of Emergency Services or the Governor concerning matters relating to volcanic or earthquake predictions, from holding closed sessions when considering the evaluation of possible predictions.

(g) This article shall not prevent either of the following:

(1) The Teachers' Retirement Board or the Board of Administration of the Public Employees' Retirement System from holding closed sessions when considering matters pertaining to the recruitment, appointment, employment, or removal of the chief executive officer or when considering matters pertaining to the recruitment or removal of the Chief Investment Officer of the State Teachers' Retirement System or the Public Employees' Retirement System.

(2) The Commission on Teacher Credentialing from holding closed sessions when considering matters relating to the recruitment, appointment, or removal of its executive director.

(h) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2006, deletes or extends that date.

11126.1. Minutes of Closed Sessions. The state body shall designate a clerk or other officer or employee of the state body, who shall then attend each closed session of the state body and keep and enter in a minute book a record of topics discussed and decisions made at
the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be kept confidential. The minute book shall be available to members of the state body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction. Such minute book may, but need not, consist of a recording of the closed session.

11126.3. Closed Session-Reason and Legal Authority. (a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

(f) After any closed session, the state body shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Section 11125.2 of action taken in the closed session.

(g) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcement.

11126.5. Disorderly Conduct. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and
order cannot be restored by the removal of individuals who are willfully interrupting the meeting. The state body conducting the meeting may order the meeting room cleared and continue in session. Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. Notwithstanding any other provision of law, only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section.

11126.7. Fees May not be Charged. No fees may be charged by a state body for providing a notice required by Section 11125 or for carrying out any provision of this article, except as specifically authorized pursuant to this article.

11127. Exception. Each provision of this article shall apply to every state body unless the body is specifically excepted from that provision by law or is covered by any other conflicting provision of law.

11128. Closed Session During Regular or Special Meeting. Each closed session of a state body shall be held only during a regular or special meeting of the body.

11128.5. Adjournment to Specified Time and Place. The state body may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by law or regulation.

11129. Hearings, Continuance of. Any hearing being held, or noticed or ordered to be held by a state body at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the state body in the same manner and to the same extent set forth in Section 11128.5 for the adjournment of meetings. A copy of the order or notice of continuance shall be conspicuously posted on or near the door of the place where the hearing was held within 24 hours after the time of the continuance; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

11130. Mandamus, Injunction, Declaratory Relief. (a) The Attorney General, the district attorney, or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this article or to determine the applicability of this article to past actions or threatened future action by members of the state body or to determine whether or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or
invalid under the laws of this state or of the United States, or to compel the state body to tape
record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the
state body to tape record its closed sessions and preserve the tape recordings for the period
and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session
recorded and the title of the clerk or other officer who shall be custodian of the recording.
(2) The tapes shall be subject to the following discovery procedures:
(A) In any case in which discovery or disclosure of the tape is sought by the Attorney General,
the district attorney, or the plaintiff in a civil action pursuant to this section or Section 11130.3
alleging that a violation of this article has occurred in a closed session that has been recorded
pursuant to this section, the party seeking discovery or disclosure shall file a written notice of
motion with the appropriate court with notice to the governmental agency that has custody and
control of the tape recording. The notice shall be given pursuant to subdivision (b) of Section
(B) The notice shall include, in addition to the items required by Section 1010 of the Code of
Civil Procedure, all of the following:
(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking
discovery or disclosure, the date and time of the meeting recorded, and the governmental
agency that has custody and control of the recording.
(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the
closed session.
(3) If the court, following a review of the motion, finds that there is good cause to believe that a
violation has occurred, the court may review, in camera, the recording of that portion of the
closed session alleged to have violated the act.
(4) If, following the in-camera review, the court concludes that disclosure of a portion of the
recording would be likely to materially assist in the resolution of the litigation alleging violation of
this article, the court shall, in its discretion, make a certified transcript of the portion of the
recording a public exhibit in the proceeding.
(5) Nothing in this section shall permit discovery of communications that are protected by the
attorney-client privilege.

11130.3. Judicial Determination. (a) Any interested person may commence an action by
mandamus, injunction, or declaratory relief for the purpose of obtaining a judicial determination
that an action taken by a state body in violation of Section 11123 or 11125 is null and void
under this section. Any action seeking such a judicial determination shall be commenced within
90 days from the date the action was taken. Nothing in this section shall be construed to
prevent a state body from curing or correcting an action challenged pursuant to this section.
(b) An action shall not be determined to be null and void if any of the following conditions
exist:
(1) The action taken was in connection with the sale or issuance of notes, bonds, or other
evidences of indebtedness or any contract, instrument, or agreement related thereto.
(2) The action taken gave rise to a contractual obligation upon which a party has, in good
faith, detrimentally relied.
(3) The action taken was in substantial compliance with Sections 11123 and 11125.
(4) The action taken was in connection with the collection of any tax.

11130.5. Court Costs; Attorney’s Fees. A court may award court costs and reasonable
attorney’s fees to the plaintiff in an action brought pursuant to Section 11130 or 11130.3 where
it is found that a state body has violated the provisions of this article. The costs and fees shall
be paid by the state body and shall not become a personal liability of any public officer or employee thereof.

A court may award court costs and reasonable attorney's fees to a defendant in any action brought pursuant to Section 11130 or 11130.3 where the defendant has prevailed in a final determination of the action and the court finds that the action was clearly frivolous and totally lacking in merit.

11130.7. Attendance of Meeting in Violation. Each member of a state body who attends a meeting of that body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this article, is guilty of a misdemeanor.

11131. Nondiscriminatory Meeting Place. No state agency shall conduct any meeting, conference, or other function in any facility that prohibits the admittance of any person, or persons, on the basis of race, religious creed, color, national origin, ancestry, or sex, or that is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. As used in this section, "state agency" means and includes every state body, office, officer, department, division, bureau, board, council, commission, or other state agency.

11132. Closed Session As Authorized by this Article. Except as expressly authorized by this article, no closed session may be held by any state body.

12944. Licensing Examinations-Adverse Impact. (a) It shall be unlawful for a licensing board to require any examination or establish any other qualification for licensing that has an adverse impact on any class by virtue of its race, creed, color, national origin or ancestry, sex, age, medical condition, physical disability, mental disability, or sexual orientation, unless the practice can be demonstrated to be job related.

Where the commission, after hearing, determines that an examination is unlawful under this subdivision, the licensing board may continue to use and rely on the examination until such time as judicial review by the superior court of the determination is exhausted.

If an examination or other qualification for licensing is determined to be unlawful under this section, that determination shall not void, limit, repeal, or otherwise affect any right, privilege, status, or responsibility previously conferred upon any person by the examination or by a license issued in reliance on the examination or qualification.

(b) It shall be unlawful for a licensing board to fail or refuse to make reasonable accommodation to an individual's mental or physical disability or medical condition.

(c) It shall be unlawful for any licensing board, unless specifically acting in accordance with federal equal employment opportunity guidelines or regulations approved by the commission, to print or circulate or cause to be printed or circulated any publication, or to make any non-job-related inquiry, either verbal or through use of an application form, which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, sex, age, or sexual orientation or any intent to make any such limitation, specification, or discrimination. Nothing in this subdivision shall prohibit any licensing board from making, in connection with prospective licensure or certification, an inquiry as to, or a request for information regarding, the
physical fitness of applicants if that inquiry or request for information is directly related and pertinent to the license or the licensed position the applicant is applying for. Nothing in this subdivision shall prohibit any licensing board, in connection with prospective examinations, licensure, or certification, from inviting individuals with physical or mental disabilities to request reasonable accommodations or from making inquiries related to reasonable accommodations.

(d) It is unlawful for a licensing board to discriminate against any person because the person has filed a complaint, testified, or assisted in any proceeding under this part.

(e) It is unlawful for any licensing board to fail to keep records of applications for licensing or certification for a period of two years following the date of receipt of the applications.

(f) As used in this section, "licensing board" means any state board, agency, or authority in the State and Consumer Services Agency that has the authority to grant licenses or certificates which are prerequisites to employment eligibility or professional status.

26509. Records Released to District Attorneys. (a) Notwithstanding any other provision of law, including any provision making records confidential, and including Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code, the district attorney shall be given access to, and may make copies of, any complaint against a person subject to regulation by a consumer-oriented state agency and any investigation of the person made by the agency, where that person is being investigated by the district attorney regarding possible consumer fraud.

(b) Where the district attorney does not take action with respect to the complaint or investigation, the material shall remain confidential.

(c) Where the release of the material would jeopardize an investigation or other duties of a consumer-oriented state agency, the agency shall have discretion to delay the release of the information.

(d) As used in this section, a consumer-oriented state agency is any state agency that regulates the licensure, certification, or qualification of persons to practice a profession or business within the state, where the regulation is for the protection of consumers who deal with the professionals or businesses. The probationer shall be informed, in his or her probation papers, of this right and privilege and his or her right, if any, to petition for a certificate of rehabilitation and pardon. The probationer may make the application and change of plea in person or by attorney, or by the probation officer authorized in writing. However, in any subsequent prosecution of the defendant for any other offense, the prior conviction may be pleaded and proved and shall have the same effect as if probation had not been granted or the accusation or information dismissed. The order shall state, and the probationer shall be informed, that the order does not relieve him or her of the obligation to disclose the conviction in response to any direct question contained in any questionnaire or application for public office, for licensure by any state or local agency, or for contracting with the California State Lottery.

Dismissal of an accusation or information pursuant to this section does not permit a person to own, possess, or have in his or her custody or control any firearm capable of being concealed upon the person or prevent his or her conviction under Section 12021.

(c) A person who petitions for a change of plea or setting aside of a verdict under this section may be required to reimburse the county for the actual cost of services rendered, whether or not the petition is granted and the records are sealed or expunged, at a rate to be determined by the county board of supervisors not to exceed one hundred twenty dollars ($120), and to reimburse any city for the actual cost of services rendered, whether or not the petition is granted and the records are sealed or expunged, at a rate to be determined by the city council not to exceed one hundred twenty dollars ($120). Ability to make this reimbursement shall be determined by the court using the standards set forth in paragraph (2) of subdivision (g) of Section 987.8 and shall not be a prerequisite to a person’s eligibility under this section. The court may order reimbursement in any case in which the petitioner appears to have the ability to pay, without undue hardship, all or any portion of the cost for services established pursuant to this subdivision.
