Reminder - Mark your calendar: The Computer and Camera Club will have a joint Visitation with the Greeters on Saturday September 6.

Club Budget: If there is any equipment the members would like for the club, please inform Sam Yee so he can submit a club budget request to Asiya Temple for approval.

Clothing on the Internet: Some members have requested information about purchasing clothing on the Internet. Here are some web sites that have been recommended by some of the club members.

<http://www.sheplers.com> - A good source for Western and general type of clothing. Levis, Wrangler, Circle S, and Sheplers house brands are all good buys.

http://www.choir-martaccessories.com/formal_wear.html - A good source for Formal Clothing but will only deliver to a business address.

<http://blazerdepot.com> - An excellent source for Blazers such as the Red Blazer for the Arabian Formal Wear at a fraction of the normal price.

<http://justtie.com/> - Neckties for any occasion.

Monday Lunch and the Clubroom: The Monday lunches have really taken off this year. There have been 40 to 50 or more in attendance. The Asiya Shriners Monday Lunches are open to you, your family and guests. The Computer and Photo Club room is normally open before, during, and after the lunches. Irv Davis will not be available starting April 14 to open the clubroom. Club members will have access to the clubroom using the code printed on the current dues card.
