*Where Kids Create Positive Identities, Friendships & Memories*

Camp Chai has been an important part of the Jewish community in Sonoma County for over 25 years. It is a wonderful place for children to experience camp in a safe, well organized program. Many of our counselors and CIT's are previous campers who have experienced the love of camp and want to share it with others. Our Director for many years, **Rick Concoff**, is a local educator, youth leader and Jewish advocate who brings years of experience with him.

Our program includes **Jewish traditions, arts and crafts, active games, story telling, singing, Israeli dance and food, field trips and Shabbat celebrations**. Most importantly, Camp Chai offers the opportunity to bond with other Jewish children, and together, campers learn about their shared heritage in a fun, active, child-centered atmosphere. The Camp Chai program also includes learning and saying daily blessings, expressing gratitude, and looking at how we interact with others in our daily life. **All are welcome regardless of religious practice.**
