# SANUS Super Slim Full-Motion Mount

**MODEL VMF408**

## Mount closer to the wall than ever before

The new Super Slim full-motion VMF408 mount for 26"–47" TVs is the perfect way to showcase the sleek look of your ultra-thin TV. Position your flat-panel just 1.1" from the wall, while still enjoying full-motion capabilities with a touch of your finger. Plus an integrated cable management system conceals wiring within the extension arm for a finished look, free of dangling cables. The VMF408 also offers post-install leveling adjustments to ensure your TV is always perfectly positioned and a cutting edge gliding system allows your TV to shift left or right on the wall plate for ideal placement.
