

NEW SANUS Tilting Mount

MODEL VMT35

Effortless tilting technology for your TV

Introducing the all-new VMT35 tilting mount for 26"– 40" TVs. The VMT35 can be mounted to single as well as dual studs for added flexibility and lateral shift technology allows your TV to slide left and right for perfect placement, even with off-center studs. Virtual Axis™ technology offers effortless fingertip tilting without tools and ProSet™ technology allows post-installation height and leveling adjustments. Plus, TV brackets easily snap into place on the wall plate for added safety and security.
