America The Beautiful
by Katherine Lee Bates, Samuel A. Ward

G         D         G
O beautiful for spacious skies For amber waves of grain
D       G         D         E         A7
For purple mountains majesties Above the fruited plain

G         D         G
America    America    God shed His grace on thee
C           G
And crown thy good with brotherhood
A7         D         G
From sea to shining sea

G         D         G
O beautiful for heroes proved In liberating strife
D       G         D
Who more than self their country loved
E7           A7
And mercy more than life

G         D         G
America    America    May God thy heart refine
C           G           A7         D         G
Till all success be nobleness And every grain divine
