See Petaluma From The Water  
Petaluma Small Craft Center Coalition  
P.O. Box 192  
Petaluma, CA 94953

The Petaluma Small Craft Center Coalition is a group of clubs and individuals promoting the use of human-powered watercraft on the Petaluma River.

We advocate construction of a waterfront boathouse to increase public access to the river; provide a center for boating skills, water safety, and environmental education; and support those who use the river for recreation, nature appreciation, and fitness.

Visit <http://PSC3.org> or call Greg Sabourin, 707 293-3685 for more information.
