Island Boy BBQ Sauce

WEBSITE DESIGN ESTIMATE & INVOICE

PHASE 1

Create a home page mockup and a second level page mockup design for Island Boy BBQ website. Designer will use the home page text and photos provided by the client in digital format. Work will not commence until the photos and text are received. Please send this content as e-mail attachments to j@elliscreation.com. Once content has been received designer will present client 1-3 designs via an internet link. Designer will provide revisions of the clients chosen design mockup.

Estimated time for design concept approval is 6-10 hours.

Time estimated for clients revisions is assumed and actual hours will be billed for upon final design approval. Designer will inform client if their edits and revisions begin to exceed 1 hour of estimate. Design rates are billed at \$55 per hour. Production rates are billed at \$45 per hour.

If you would like to begin the design phase of your website please remit this invoice with your initial payment of \$275.

I look forward to working with you on this project.

Thank you!
